CONFEDERATE DAUGHTERS HONOR SOUTHERN DEAD

Decoration Day Here Observed With Program

Decoration Day was observed by the United Daughters Confederacy at Oak Hill Cemetery Sunday afternoon, April 26 at 2 o'clock. Beautiful bouquets of flowers were made and taken to the cemetery that were placed on the graves by the grandchildren of Confederate Veterans and the Daughters of Confederacy.

The following program was given:

Introductory, prayer led by Miss Mollie Moore.

Paper, 'Why We Should Use the Term, War Between the States,' Zora Clark Wilkerson.

Memorial Address, Rev. C A. Lehmberg.

Memorial List 1931, Mrs. Sue Dollar Baskin.

Roll of Confederate Dead in Oak Hill Cemetery, Judge Jeff T. Kemp.

Mrs. Sue Baskin read the following beautiful poem and dedicated it to Mrs. Nannie Newton, Mrs. Mary Robinson, late widows of Confederate soldiers, and the late L. W. Harris, Veteran.

'We thrust aside the curtain
That hangs in Memory's Halls
We view the faces of departed friends
We see them on our walls.
We see the host of our order
Who have crossed over the narrow stream,
We sense the toil of footsteps
In all that our order has gleamed
We pay from our hearts a tribute
Of friendship, truth and love,
Strengthened by the ties that bind us
With fraternal bonds from above.
And feeling of sadness comes o'er us,
And our eyes are moistned by tears
That we, their comrades left here,
Could fail them in all they held dear.
Uncover your heads in silence,
Lower your pennants so gay,
Stop in your mad rushing whirlwind,
To ponder, to think, to pray,
To study their words of wisdom.
To think on their lives so true,
And give to their silent pleading
All that is best in you.
There is no death, the stars go down
To rise upon some other shore,
And bright in Heaven's jeweled crown,
They shine forever more.'

JAMES W. DAUGHERTY IS BURIED IN AUSTIN

FORMER RESIDENT HERE DIES ON FRIDAY, APRIL TWENTY-FOURTH

The news of the death of Jim W Daugherty, who died in Austin, Friday, April 24, at 2 a. m., at the home of his daughter, Mrs. Joe Callon, 109 Chicon Street, reached Cameron on Friday morning.

Mr. Daugherty formerly owned Riverside Farm and lived on it for a number of years before moving to Austin. He is well known here and had many close friends who will regret to hear of his passing.

After leaving Cameron he purchased the Commercial hotel and a number of brick business houses connected with it, and owned it at the time of his death. He also had valuable holdings in the oil field near Eastland and Cisco. He had been in ill health for a long time and the last few weeks was not able to be up.

Deceased is survived by two daughters and a brother, W. J. Daugherty, all of whom were present at the funeral held Saturday afternoon at 2 o'clock, interment was made in an Austin cemetery.

R. L. Batte and John Ryan motored to Austin Friday for a few hours, returning Saturday morning.

CORRECTION

In this issue will be found an advertisement from Max Collins, dry cleaner, announcing specials on cleaning and pressing. This ad was brought to this plant in advance of an agreement reached by the cleaners on Wednesday night and was printed too early to be eliminated from this issue. Mr. Collins withdraws this offer.

Wm. R. Rogers Still Under Treatment In Temple Hospital

William R. Rogers, who sustained an injury to his right eye two weeks ago is still confined in the Woodson Sanitarium in Temple under treatment.

The injury was sustained while Mr. Rogers was cutting a piece of wire at his home, a portion of it striking him in his right eye. At first it was thought the sight would be saved but the injury was more serious than anticipated and the sight has been lost.

Reports from the hospital Thursday indicated that it might be necessary to remove the eye ball. After it became known that the sight had been lost, it was thought the ball might be preserved.

Friends here trust that it will not be necessary to operate further and that he may soon be restored to health.

Paul Lukas Merits Fame In Masterful Role In "Unfaithful"

'Unfaithful,' an absorbing drama of the disillusioned wife of a public hero, is Ruth Chatterton's latest dramatic sensation, and the Milam Theatre will feature this attraction Sunday and Monday. Paul Lukas, seen with Miss Chatterton in her recent pictures, 'Anybody's Woman' and 'The Right to Love,' has the chief supporting role, with Paul Cavanagh and Juliette Compton, both well-known stage favorites heading the cas.

Miss Chattertons great talent is given unrestricted play in 'Unfaithful.' John von Druten, the playwright who won prize honors with his stage play, 'Young Woodley,' fashioned this inspiring story especially for her. As an American girl married to the popular hero whom she loves madly; as the disillusioned wife who finds her husband's virtues are merely a mask for his secret philandering; as the reckless thrill-seeker, seeking desperately to drown her pride in one wild escapade after another, this brilliant actress plays a series of characterizations in which her emotional expression finds its best expression.

Again as in 'Anybody's Woman' and 'The Right to Love,' Paul Lukas enters to save the woman from herself. The suave Lukas has exercised his rare fascination in scores of minor parts. It remained for 'Unfaithful to bring him the opportunity to exercise his talent to the full. Cavanagh, as the hero-husband, plays an exacting role with great skill and polish. Miss Compton, seen in 'Morocco' and 'Anybody's Woman,' is here the beautiful object of Cavanagh's extra-marital attentions.

As an assurance that all these excellent materials of cast and story are woven together, the name of John Cromwell, maker of such hits as Powell's 'Street of Chance,' Bancroft's 'Scandal Sheet,' appears as director.

Commercial Club Votes Endorsement Here Of Freight Delivery

Store door delivery of freight in Cameron was endorsed at the meeting of the commercial club directors held on Monday night.

The handling of freight on the basis of transport companies inaugurated by the Southern Pacific Lines in Cameron, was endorsed and approved, no mention having been made of any railway company, the service being praised and endorsed.

It was pointed out that the receipt of freight which is delivered free to the doors of business firms, is a great convenience and a saving to the merchants. Besides affording employment for more people in Cameron the service insures prompt delivery.

In connection with this endorsement the club directors expressed an appreciation for the contribution made by the railway companies to the progress of Cameron; that they maintain local employment and contribute large sums in taxes and in many ways cooperate for the upbuilding of Cameron. This is also a preference expressed for the railroads as against tuck lines, the directors feeling their responsibility to the service of the railroads and all their operation has proven in the way of progress for the country at large.

Miss Lizzie Bachouse of Rockdale spent a few days here visiting Mrs. Bob Wiley this week.

CAMERON CLEANERS END PRICE WARFARE

Cameron cleaners have ended the Price War. In this issue of Cameron papers will be found an announcement of new prices, effective at once in all plants in Cameron.

In addition the following statement has been issued by the cleaners discussing the economic side of the question:

'What is WAR? War is destruction where no one wins, regardless of the outcome. Economic war is a fight with dollars rather than with guns.

'Business, industry, financial institutions and labor are all in a hand-to-hand grapple all over the United States and the world as well. When any business or industry in any community is doing business below cost, the community suffers, every inhabitant suffers, either directly or indirectly.

'When any business goes broke the owners, the creditors, the employes and indirectly the community; all suffer. When a bank goes broke the stockholders, the creditors and the public also suffer

'There is a law of compensation which is as accurate and true as the natural law—you cannot get something for nothing. Therefore, if you are a party to an unfair bargain, the acceptance of money made in error by some cashier, the recipient of labor or goods not fully paid for, you lose.

'There is a community responsibility as well as a personal responsibility. Should you be a party to an economic war?

'What does an economic war do? It tears down good, responsible firms; it robs labor of its just reward; it creates debts which become the loss of someone in time; it destroys profit which is the life blood of industry; it makes prosperity impossible.

'People of Cameron. If we are to have a prosperous city, we must live above selfish desires. We must have a broader view of business and our economic welfare.

'Yes! A doctor can make a call for 50c; a barber can shave for 10c; a carpenter can work for $1.00 a day and so on, but what kind of a standad of living would we have in America? One similar to that of the Oriental.

'You tell anyone these facts, business man or otherwise, he will agree with you; but, sad to say, we do not always do the thing we know is right.

'When you send your suits and dresses to the cleaners you know you are protected. We are responsible.

W. M COBB IS ELECTED SECRETARY OF CLUB

OFFERS TO RESIGN AND MAKE WAY FOR FULL TIME MAN IF CLUB FAVORS

W. M. Cobb was elected secretary the Commercial Club on Monday night to succeed himself at a meeting of the directors.

Mr. Cobb was nominated and elected by acclimation and in accepting the place, said he would resign whenever the club saw fit to employ a full time secretary.

The employment of a full time secretary was discussed. It has been discussed for a number of years but so far has not been realized. The club for the first time in its history operating on a budget system this year and in the course of time a full time secretary may be employed.

F. S. Lesovsky discussed in brief the road bond issue, saying that in some instances bonds had been voted with the understanding they were to be refunded by the state to the counties and districts. No action was taken by the club. It was pointed out that the Legislature has not submitted the bond plan and indications are its defeat has been accomplished in the house.

COUNTY HEALTH MEET TO LAST THROUGH MAY

COUNCIL ANNOUNCES MEET TO BEGIN ON SATURDAY MAY THIRD

We are happy to announce that a County Health Meeting will begin for Milam County next Saturday, lasting through the month of May.

The first event is to be an open meeting of the County Council of Parent-Teacher Associations where Mrs. Bess C. Ledbetter of the State Department of Health will speak on Public Health Nursing. This will be at three o'clock next Saturday in the District Court Room.

The next event will begin next week, lasting throughout the month, with relays at various points in the county, when Miss Sue Nickerson, loaned to Milam county by the State Department of Health, will be visiting rural schools and groups of grown-ups as well as children, giving health talks and having classes in home nursing.

We especially urge all who can to be at the District Court Room at 3 o'clock next Saturday when Mrs. Ledbetter will speak and the full program for the month will be announced.

STATE ROAD BONDS WILL NOT DOWN

By J. K. FREEMAN

In the first primary election of 1929, there were seven or eight candidates for governor. Mr. Sterling and Senator Love advocated an issue of 350 million dollar road bonds. Each of the other candidates opposed the bond issue. Other measures were advocated, but the bond issue was the major or practically the only one in the campaign. Mr. Sterling and Senator Love together received about one-fourth of the votes, showing that the people voted against and condemned the bond issue.

In the second primary, Mr. Sterling stated that he bowed to the will of the people, and that he would press the bond issue no further; and adopted a new platform; namely, an honest business man for governor, economy, and a reduction of taxes. And in the second or run-off campaign, it was heralded throughout the State by the supporters of Mr. Sterling that the bond issue was abandoned, and that no bonds would be issued; and on these promises Mr. Sterling was nominated and elected.

In disregard of these campaign promises, and with the acquiescence of Mr. Sterling, if not at his special request, resolutions have been introduced in the Senate and in the House providing for the submission of an amendment to the constitution, authorizing the issuance of state road bonds for 212 million dollars.

Bear in mind that Governor Sterling, the members of the House, and the Senators elected at the last election were nominated and elected on their promise and assurance to the people that no state road bonds would be issued; but in spite of this, the resolution to submit the bond issue has been adopted by the Senate by a two-thirds majority, and it remains to be seen what the House will do. Until the contrary is shown, we should maintain faith in the members of the House that they will keep their campaign pledges and promises.

Did Governor Sterling and the Senators who voted to submit the bond issue do right or did they do wrong?

Condition of Mayor, In Temple Sanitarium Is Reported Unchanged

Reports from the Scott & White Sanitarium at Temple Thursday morning on the condition of Mayor W. W. Chambers, indicate that little change has been noted since the last issue.

Mr. Chambers was operated on for cancer of the throat some 14 days ago by Dr. Scott. On account of his condition it was thought inadvisable to perform a second operation on the eleventh day. Instead a blood transfusion was given to improve his condition.

The many friends of Mayor Chambers here hope for more favorable reports on his condition within the next day or two. Mr. Chambers is a pioneer member of the Cameron bar and has been an attorney in Cameron for many years. He is serving his third term as Mayor of Cameron.

College President Will Preach Here

Rev. E. M. Stanton, president of Lon Morris College, Jacksonville, Texas, will preach at the 11 o'clock service next Sunday morning and Rev. King Vivion, D. D., president of Southwestern University is expected to be here and to preach at the 7:45 p. m. service. Both of these educators will also be on the program to speak during the afternoon when the young people from all of the Marlin District embracing 22 churches will meet here. Rev. E. L. Ingrum, the presiding elder of this district is also on the afternoon program; he will hold the Second Quarterly Conference of the local church after the night service. The public is invited to any and all of these services.

53 YEARS IN CAMERON

The Herald has been published in Cameron for 53 years. This issue is No. 2 of the 54th year in business.

Newspaper people say little about themselves and much for others On this occasion we wish to extend our sincere thanks to those who have made this publication possible during the 11 years it has been under the present management.

More than a half century of service to the community and to its great family of readers is the record of this newspaper.

The Herald was established in 1878. Much of the file history of this paper is missing but a systematic preservation of files is now in progress. Much of the world's history has been written since the first issue of this paper 53 years ago. We hope to merit the continued support of the people.

The Publishers.

While the 14 year old son of J. F. Shafer of Hanover was attending a baseball game in Gause last Sunday he was struck in the left eye by a foul ball. He was rushed to the office of Dr. Taylor in Cameron where he was given treatment. It was found that the eye orbit and left side of the nose were seriously injured but if no complications ensue the eyesight will be saved.

Kenneth Wiley of Waco was a week end guest of his parents, Mr. and Mrs. Robert Wiley.

BUDGET NEEDS HERE FOR COMMERCIAL CLUB TALKED

Firms Benefitting In Cameron Should Subscribe

Giles L. Avriett, president of the Commercial Club and chairman of the Budget Committee, made a report of the progress of the committee at the meeting on Monday night.

The report disclosed that the budget lacks several hundred dollars of attaining the amount set, but indications are that the amount may be reached when the committee has completed the canvas which is expected to be done in time for a final report at the next meeting.

It was pointed out by a number who discussed the budget that firms benefitting in Cameron thru activities of the club who have not yet made their contributions should do so as a matter of bearing their share of the burden. To make the club worthwhile the budget is necessary and its benefits accrue to every business firm in the city alike.

Among the problems discussed was the numbering of houses in Cameron and naming streets. This matter has been under discussion both in the club and in the city council for a number of years but so far nothing has been accomplished. The problem may be solved if the city will pay for the numbers which, it is estimated will cost less than $75.

The Texas Power & Light Company at the instance of Manager J. C. Young, will furnish labor necessary for the installation of numbers. The completion of this work will insure another mail delivery route for the city, it is understood.

Jeter Lumber Company Celebrates 38th Year In Business Here

The Jeter Lumber Company on May first will celebrate its 38th year in business in Cameron.

A letter mailed to the patrons of this company was received last week and as usual Mr. Jeter is to enclose to his patrons a calendar for 1931.

The letter going to the patrons of the firm is printed on cotton and as Mr. Jeter says, 'a new use for something we are interested in.'

The people of this community congratulate the firm on its 38th year in business and wish for this old, established firm many more years of successful operation.

CANADIAN MINISTER AT MISSION RALLY

SUNDAY MAY 3 WILL BE FOREIGN MISSION DAY FOR COUNTY

Rev. Duncan Ritchie of Prince Albert, Saskatchewan, Canada will be the principal speaker at a County-wide Mission Rally to be held in the First Baptist church of this city Sunday May 3 at 3 p. m. On the same program will be Dirk Vandervalk, a student from Holland, and Rev. Herbert Pierce, who was reared in China.

Sunday, May 3 has been dedicated to Foreign Missions by the Executive Board of the Milam County Baptist Association, and there will be a mission program in each Baptist church in the county, under the direction of the Foreign Volunteer Mission Board of the Southwestern Baptist Theological Seminary of Fort Worth, according to Kelly Simmons, chairman of the Associational Mission committee.

Mrs. Price Herring of Indianoia, Mississippi and sister, Mrs. W. L. Hightower of Weimer, are guests of their cousin, Mrs. John Denson. Rev. Hightower came for a few days visit but returned the last of the week to fill his pulpit at the Methodist church in Weimar Sunday.

Miss Maggie Donalson of Rockdale is a guest of her sister, Mrs. Bob Wiley.

Mrs. A. L. Peterson of Waco has been a recent guest in the home of her parents, Mr. and Mrs. Henry Ruby.

"THE WORLD DO MOVE"

Thorndale Man Makes Observations

Fifty years make a big difference in the customs and habits of the people. In the current issue of The Champion a Thorndale citizen whose name is not given makes the following observations:

1881

Fifty years ago, women wore hoop skirts, bustles, petticoats, flannel nightgowns, puffs in their hair, did their own cooking, baking, cleaning, washing, ironing, raised big families, went to church on Sundays and were too busy to be sick.

Men wore whiskers, square hats ascot ties, red flannel underwear, big watches and chains, chopped wood for stoves, bathed once each week, drank 10 cent whiskey, 5 cent beer, rode bicycles, buggies and sleighs, went in for politics, worked 12 hours a day and lived to a ripe old age.

Stores burned coal oil lamps, carried everything from a needle to a plow, trusted everybody, never took inventory, placed orders for goods once a year in advance, and always made money.

1931

Today, women wear silk stockings, short skirts, low shoes, no corsets, an ounce of underwear, have bobbed hair, smoke, paint and powder, drink cocktails, play bridge, drive cars, have pet dogs and go in for politics.

Men have high blood pressure, wear no hats, some have no hair, shave their whiskers, shoot golf, bath twice a day, drink poison, play the stock market, ride in airplanes, never go to bed the day they get up, are misunderstood at home, work five hours a day, play often and die young.

Stores have electric lights, cash registers, elevators, never have what the customers want, trust nobody, take inventory daily, never buy in advance, have overhead, markup, markdown, quota, budget, advertising, stock control, annual and semi-annual, end of the month and Founders Day, rummage and Economy Day Sales and never make any money.

Cattle Dipping For County Announced

Mr. Davidson states that cooperation from all concerned has been very good, and that most people are anxious to dip, and complete the tick eradication as soon as possible. He says that when the work is started at this time of the year, the ticks can be eradicated with the shortest dipping period of the entire year, and that those who show ticks for any reason later in the season will be required to dip through the winter months. For this reason all those who have ticky or exposed cattle are urged to start in at the first dipping and continue until they have been given a release.

He also desires to call attention to the fact that after the dipping begins it will be a violation of the law for any cattle to be moved from one point to another in the county without first securing a permit from one of the inspectors, except when being moved to the dipping vat on regular dipping days or when an inspector is present at the vat.

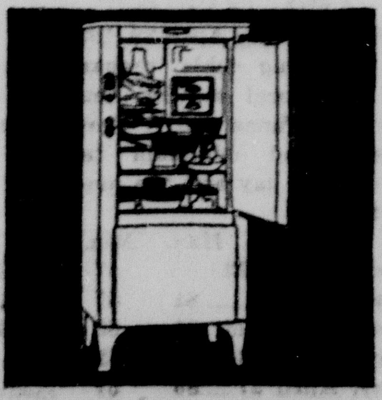
The TOP of every FRIGIDAIRE is a porcelain-topped table

Food on its way into a Frigidaire and food on its way out need not be juggled, or tip-tilted, or inconveniently parked on the distant kitchen table . . . the flat expanse of showy porcelain atop the Frigidaire makes such a perfect serving shelf!

It is an ideal place to put piping-hot things that should be cooled off before they are exposed to low temperatures . . . a splendid *permanent* place to keep the few foods that need not be refrigerated.

And nothing—hot or cold, smooth or scratchy—can in any way scar or mar the lifelong lustre of its diamond-hard Porcelain-on-steel finish.



A conveniently flat, unencumbered serving table top is one of the very real advantages of Frigidaire Advanced Refrigeration. There are many others. We invite you to come in and learn all about them.

Soundly built to serve you long and well

The piston pin test—showing one of the many marvelously accurate gauges used to maintain Chevrolet quality

Chevrolet cars are run millions of miles each year at General Motors' great proving ground

If you could see the new Chevrolet Six being built, you would understand why it performs so well, lasts so long and brings so much satisfaction and pleasure to its owners. The quality of raw materials is held to standards unsurpassed anywhere in the automotive industry. In the manufacture of the engine alone there are hundreds of separate inspections. Pistons are matched in sets to within one-half ounce. Piston pins must be within 1½ tenths of one one-thousandth of their specified size. Connecting rods are matched to within one-quarter ounce and are *individually fitted by hand.* The special alloy-steel crankshaft is the subject of truly amazing care and precision in manufacture and cannot vary from perfection in balance more than ½ inch-ounce!

These few examples of Chevrolet standards indicate the care used in the manufacture of *every* part of the car. Soundly built to serve you long and well! No compromise with quality in manufacture means no compromise with complete satisfaction in ownership.

Chevrolet precision instruments are regularly checked against master gauges which are accurate to one millionth of an inch

FIREMEN WIN THRILLER FROM ROSEBUD SUNDAY

SCORE IS 14 TO 13 AS CAMERON WINS SUNDAY GAME IN ELEVENTH INNING

By SUNNY POPE

The Rosebud Roses would give their right arms to win a ball game from Cameron and it looked rather gloomy for the Firemen on seveal occasions Sunday afternoon but when a tieing run was absolutely needed it was forthcoming somehow. It required eleven innings to finally win by a 14 to 13 score which was won by Vogelsang's long drive to the center field wall with the bases full—and two out i nthe eleventh. From the opening curtain to the thrilling climax in the lucky eleventh the tide of battle went pro and con.

This was the first game to be pitched by Keith and considering the aggregation brought with him it is a very creditable showing he made. In the tenth inning he was taken from the lineup and replaced by Vogelsang. This proved to be the right move as events showed.

The game was a seesaw affair from the first. The game went into the ninth with the score ten to eight in the visitors favor. They made one tally in the ninth. The Firemen then tied the score by getting three runs on four successive hits. Deer first up singled and took second on Walker's bingle. Jenness then scored these two on his blow. 'Slew' Thompson then tripled scoring Jenness. D. Thweatt then attempted a squeeze and a pop up to the pitched was an easy out and slew doubled out at third.

In the tenth French poled a long drive over the right field fence for the only home run of the day. The Firemen came right back and again tied the score on Doug Williams' single and Pro Deer's triple. In the eleventh the Roses again forged into a one run lead on a single, two stolen bases and a passed ball through Jenness. Then came the climax deluxe

Jenness, first up went out short to first. Slew got on first on a pitcher's error. D. Thweatt singled putting Slew on second. Slew took third on a fly to right. Thweatt stole second. Tex Miller walked filling the bases. With two out and the tieing as well as winning runs on the bases Vogelsang picked out one of Mr. Little's benders to his liking and put it into deep center, the ball rolling to the fence scoring the two necessary runs.

There's a MARCH BLIZZARD on Your Gas Bill

IN THIS balmy weather it's hard to realize that such a short time ago as March 27th, we were shivering and dodging indoors to get warm. The headings reproduced here tell the story of that cold wave. A blizzard had swooped down from the north with but a moment's warning. We hardly believed the weather-man when he told us, "Freezing weather due tonight." But the temperature dropped 15 degrees in one hour! Gas consumption doubled, tripled, and in a few hours the demand had gone four times above normal. Hundreds of men, trained for such emergencies, sprang into action. Gas was drawn from 1,000 wells in 32 fields. And the homes in 291 Lone Star communities had *plenty* of gas. WHEN YOU PAY YOUR GAS BILL THIS MONTH—REMEMBER—THERE'S A MARCH BLIZZARD INCLUDED.

Seventh Grade News

The following compositions were written by pupils of the Seventh Grade for publication in this paper:

Woodrow Wilson

Thomas Woodrow Wilson was born in Staunton, Virginia, the son of a Presbyterian minister. The family was fairly well-to-do, Wilson himself was lazy, as he did not deny. His eyes were weak, too, and this prevented him in a measure, from playing as much as other boys. He loved books and received much of his early education from that source. The earliest memories he had, he said, were those of his father trying to teach him to read. At sixteen, he went to Davidson Seminary. There he played baseball and tennis. Baseball was his favorite sport, although he also liked tennis and track. He never played cards, bridge or any game of that sort, but a baseball diamond drew him like a magnet.

Woodrow Wilson, after serving as President of Princeton University, professor at Bryn Mawr and as governor of New Jersey, was elected to the Presidency of the United States. He was our twenty-seventh president. He was founder of the League of Nations, based upon his famous statement: 'The world must be made safe for democracy.' The League of Nations stands as an everlasting memorial to our 'war president.'

One day a member of the cabinet proposed to stop work to attend the opening baseball game of the season between Washington and Philadelphia which he knew the president would enjoy. But Wilson declined, giving as his reason, 'My boss would not let me.'

The astounded cabinet member asked, 'But who is your boss? You should have none, for you are president.'

'My boss is my conscience,' Wilson answered.

Wilson was noted for being a wit, and the following is an anecdote which he told of his father:

'One day while circuit-riding, my father was asked by a neighbor, 'Preaher Wilson, why is your horse so fat, while you are so thin?'

'Oh' my father replied, 'I feed the horse but the congregation feeds me.'

—Margaret Fisher.

Benjamin Franklin

Benjamin Franklin was born in the town of Boston. He was the fifteenth of seventeen children and, as his father was poor, he had no advantages Benjamin went to school less than year and then he went to work as n apprentice for his elder brother ho was a printer.

Franklin is known in American history as a man who was distinguished in almost every field of endeavor. Among other things, he invented the Franklin stove and the lightning rod and he proved that lightning was electricity. In Philadelphia Franklin introduced the first public library, postal service, fire company, and police system. He edited the Pennsylvania Gazette and Poor Richard's Almanac which were read by almost everyone in the colonies.

When Franklin invented the stove he was asked why he didn't have it patented. He replied by saying that he should be glad of an opportunity to serve others because we enjoy such great advantages from the inventions of others. Franklin was very thrifty. In editing Poor Richard's Almanac, some of his proverbs were 'Lying rides upon debt's back,' 'Never leave that till tomorrow which you can do today,' and 'Tis hard for an empty bag to stand upright.' These and others wise sayings helped to make the people who read them more thrifty.

—John Martin.

Edison

Edison was born in Milan, Ohio, but spent most of his boyhood in Port Huron, Michigan. He began his career as a newsboy on the Grand Trunk Railway and his taste for experimenting led him to fix up a laboratory in a baggage car. One day he dropped a bottle of phosphrous and set the car on fire for which the conducter boxed his ears and kicked him off the train. This made him a little deaf. He then studied telegraphy and secured a job as a telegraph operator at Port Huron and later in Canada on the Grand Trunk Railway.

After working at this a while he began his career as an inventor in 1869; first he invented the stock ticker which was of great importance.

Thomas Alva Edison was born into a poor family. When he was a very small boy in a grammar grade, he asked the teacher many questions that she could not answer so she told his mother not to send him any more because he could not learn. His mother took him out of school and taught him at home all that he knew until later years. Edison did not play very much but when he did, he played hard and forgot all care.

Thomas Alva Edison is the greatest inventor of the world. He is called the 'wizard'. He invented all the electrical things that we have today. One of the most important things that Edison invented was the electric light, and another thing is the moving picture machine which will take 20 pictures a second.

Edison has been given many medals by many nations but he will not wear one because one of his characteristics is his dislike for display. Once a visitor went to present Edison with a medal and while there he asked him if he had any more medals. He said, 'Oh, yes, I have a couple of quarts more up at the house.'

—Velma Reese.

David Lloyd George

When David Lloyd George was two years of age his father died. His mother sent him to Wales where he was reared by an uncle. He was born into a world of slight hardships. He received a good education and practiced law.

We remember him for the organization of old age pensions and educational and land reforms. He was a lawyer and Premier of England. He also entered the Campbell-Bannerman Cabinet as President of the Board of Trade, and carried on the work of that office with brilliant success.

He was a man with an intense and dominating love of democracy. Both his friends and opponents would agree that he had a genius for getting things done. Only a man of decision and action could have sponsored England in the great movements that are identified with his name, old-age pensions, insurance against sickness and nonemployment, educational and land reforms.

—Albert Kelley.

Woodrow Wilson

Wilson was born in Staunton, Virginia, December 28, 1856. His father was a Presbyterian minister. Being born of a family of moderate means he grew up as other boys of his time except for his schooling. At the age of nine he attended school for the first time. Although being hampered by a late start he was ready for college at the age of 17. At Davidsen College he studied for a year until his health failed from physical exertion. Later Wilson went to the Princeton University. Here he became attached to football and very fond of reading. His grades were above the average.

Woodrow Wilson was the president who carried the United States thru the World War. No president since Lincoln was faced with the great problem that faced Wilson. He was the twenty-eighth president and a Democrat. During his career many problems came up. The main one being the World War. The seventeenth, eighteenth and nineteenth amendments were formed during his two terms of office.

Wilson was a man who tried to the uttermost to carry out his promises. He showed it when he passed the Panama Toll Exemption Repeal. The government was permitting United States ships to go through the canal free of toll and made other vessels because in a treaty with England the United States promised to let all ships go through on equal terms. Wilson said that the Panama Toll Exemption was wrong because of this treaty.

Wilson died in 1924 from overstrain; trying to persuade the United States to adhere to the League of Nations which showed that he was a peace loving citizen.

—Billy Gillis.

Robert Edward Lee

Robert Edward Lee was a native Virginian. As young Robert was born of high class, cultured people he had no hardships. He went to the best schools and when he finished high school he went to West Point and graduated there. Robert loved hunting and riding and spent much of his time at these sports.

We remember him for his character and his military genius. He fought in the Mexican War and was Commander in Chief of the Confederate forces. Robert Edward Lee defended Richmond so galantly during the War that he stayed througnout the war the gallant defender of Richmond. His most important work was his military experiences during the Civil War.

His character ranks very high. During the war he sent his Sunday school collection in every week. At the end of the war before Lee surrendered a spy was captured and Lee would not have him shot because he knew the war would soon be over.

Bever Thomas.

Abraham Lincoln

Lincoln was born in Harding county, Kentucky. He was born into a very poor family; they lived in a log cabin with a dirt floor and furniture made of logs. Lincoln did not have a very good schooling, but he went to a small school five miles from where he lived. The teacher taught, reading, writing and elementary arithmetic. He always practiced shooting or helping his father in the fields, because they had not heard of football or baseball.

We remember Lincoln for the great things he has done for the United States.

A man was charged with assault and battery; Lincoln won the case by telling a dog story. After the testimony had clearly proved that the plaintiff although getting the worst of it in the end, had started the fight.

'But your client could have protected himself without half killing mine,' retorted the lawyer who was opposing Lincoln.

'That reminds me of a story,' said Lincoln. 'A man who was attacked by a farmer's vicious dog, killed the brute with a pitchfork.'

'Why did you kill my dog? Why didn't you defend yourself with the other end of the pitchfork?' demanded the angry farmer.

'Well, why didn't the dog come at me with his other end?'

—Vivian Ondrej.

* * *

Every town has a man who is always loaded down with a lot of free jobs, chairmanships, and secretaryships that take all his time and pay no salary. His townspeople do not refer to him as a success but somehow always manage to slip him the jobs that do not pay. When there is a good job to give out someone else is given the job.

Lady Had Suffered So Much Pain Was Almost Desperate. Says Cardui Helped Her.

Denison, Texas.—"Before I took Cardui, it seemed like I had tried everything, for my health was wretched," writes Mrs. Nannie Davis, of 418 W. Woodard Street, this city.

"I was in bed most of the time," explains Mrs. Davis, "suffering so much with pain in my side and back, and weakness. I was so discouraged, I was almost desperate.

"I knew there ought to be something to reach my case. I only weighed about 110 pounds. My eyes were hollow and I looked awfully bad.

"A good friend told me about Cardui. After taking my first bottle, I felt better, but I kept it up until I had taken four bottles, and now I am well, have no pain in my side or back, and feel like a new woman. I can work most of the time, and feel fine.

"For three years, I have been free from pain. That is why I recommend Cardui."

If you are run-down, nervous, or suffer every month, take Cardui, a medicine used by women for over fifty years. As your health improves, you will share the enthusiasm of thousands of others who have praised Cardui for the benefits they have felt after taking it. BC-240

CAMERON CLEANERS END PRICE WAR HERE

(continued from page one)

You know you will get those clothes back undamaged.

'We do deeply appeciate the loyalty and support of many of our friends and customers during this cleaning war.

For many years our business existence in Cameron and quality of service rendered is your guarantee of the future.

SUNNY'S SIDE

In the game against the Rosebud Roses the Firemen as a team batted at a .390 clip. We made the prediction at the beginning of the season we were going to have a heavy hitting team.

One two-bagger and four three-baggers were among the sixteen hits amassed Sunday. Walker led the bunch with a .666 average. At that the Roses themselves hit at an .346 clip. Burks, center fielder having a perfect day of it with four runs scored, four hits in four times up, two put outs and no errors.

Muldrew of the Roses came to Cameron with the evident intention of not allowing our team to get too much of a lead. He yanked Parcus in the third after four runs had been made off of him but only three hits had been chalked up against him. Little, who relieved Parcus, was hit hard though he whiffed seven Firemen.

Sunday, May 3 is the first positive date the Firemen have. Rogers will be here Sunday afternoon to give the Firemen batting practice. A game with Ben Arnold for Saturday, May 2 is in the incubator but at this writing, whether it materializes or not is problematical. We are trying to have all the Sunday games played at the Lawless Green Field but Rosebud gets the Sunday date of May 10 when we go to play there for their return date.

Vogelsang's long dauble against the center wall in the eleventh, scoring the winning runs brought the day to a perfect ending. The stands gave him the acclaim usually reserved for royalty.

The weather was uncomfortably cold and rain threatened to cause a relented after the second inning and postponement, but the weatherman the clouds blew over.

After talking with Archie Peel's father in the dugout Sunday I fear that Cameron has lost the valiant services of Archie for he is destined for stardom in baseball. And by the way these two Peel boys have won more games for Cameron than any other two I can name.

'Slim' Vogelsang's signature has been obtained for a birth on the team for the year. He will doubtless prove to be the Breitenstein of the league. He won his spurs last Sunday when he won his own game by his long drive to center field fence which scored the necessary runs in the eleventh inning.

When old Milam needs the moisture would much prefer to witness the downpour of yesterday than a ball game. The ball games only add to y work.

Reports by scorer Stall of the Yo. High and A. & M. Freshmen game the Cameron boys gave their oppenents an awful battle.

LADY GODIVA
Born 1040

Here is where we take issue with History, which says that this very beautiful woman rode nude, through the streets of Coventry, as a condition of the removal of taxes. Our own opinion is, she had just heard of the superiority to all others of Goodyear tires and was so anxious to find out more about it she simply forgot her clothes.

We have drawn as much of her as we think discreet.

OPENING GAME IS LOST TO SHARPE

FIFTEEN HITS GOOD FOR WIN OVER FIREMEN SATURDAY AFTERNOON

By SUNNY POPE

The Sharp Shooters invaded our city Saturday afternoon and took home with them a five to two victory which they won from the Firemen at the Lawless Green field. There were times during the game when it looked as if the Fire Department itself would have to be called to help put out the Sharp Shooters. The visitors collected a total of fifteen hits, one a home run and two two-baggers. There were several of these hits during the afternoon which would have been easy outs but the infield showed evidence that the diamond was rough and not yet sufficiently worked to permit flawless fielding. The infield hits took wierd hops at times and these fluke hits are just as disastrous as the honest-to-goodness variety. Offering no excuses for the defeat yet I must say the Sharp Shooters did get the breaks of the game.

This was the first game in the Temple Telegram cup race and it proved to the fans that the team is yet far from playing the brand of ball of which they are capable.

Sharp scored the first run in their initial time at bat. Bartlett out, pitcher to first. Rosenberg, Garner and McDonald got hits. An infielders choice scored Rosenberg.

The Firemen came back in their first time up to tie the score. Williams singled. Baggett struck out. Walker forced Williams at second. At this stage Byrd became wild and forced in a score by giving three free passes to first.

No further scoring was done until the seventh when Sharp made two runs on three hits and two errors. The Firemen scored one in the seventh but with the bases full were unable to put over even the tieing run and it proved the downfall of the Firemen. Sharp added two scores on four hits in the ninth, one of which was McDonald's clout over the left field fence with plenty to spare.

Byrd struck out five, walked four, while Wiley struck out three and gave one free pass

Frances Couch
QUEEN of SPORTS

MISS FRANCES COUCH IS CHOSEN QUEEN SPORTS

BAYLOR SPORTS REVIEW WILL BE HELD AT BELTON ON MAY FIRST

Belton, April 29—Miss Frances Couch, McKinney, has been chosen Queen of Sports at Baylor College and will reign over the Sports Revue which will be held May 1 in her honor.

Miss Couch was selected as Queen of Sports because of her all-around ability as an athlete. Her specialty is swimming and she is captain of Life Saving Corps. She is a member of Woman Athletic Association and plays all sports, individual and team. Her athletic prowess is not her only accomplishment because she is a member of Scholarship Society of the South and Royal Academia Society.

In the Sports Revue a picked group of students will present such sports as: hockey, soccer, horseback riding, archery, tennis, tumbling, track and basketball. From each group Queen Frances will select one who has excelled to join the princesses of sports around her throne. The identity of these girls will not be revealed until May Day. A Maypole dance will be given by freshman students.

The Sports Revue is under the direction of Mrs. Paul B. Baker, head of department of physical education. Baylor College's annual May Day program is always attended by hundreds of out-of-town visitors. It begins at 5 p. m. and is held on the campus.

In the picture are shown some of the sports which will be demonstrated at Baylor College on May Day Frances Couch, McKinney, who will be crowned Queen of Sports is in the center. Winston Cocke, San Benito, is one of the Queen's archers.

On the left are: Ozelle Waller, Morgan; and Ellen Easley, Dublin, hockey players.

On the right are: Mary Elizabeth Isleib, San Antonio; Winifred Smylie, Sabinal; and Pauline McCalip, Weslaco, horseback riders.

JACK RICHARDS, JR.

The Death Angel came into the home of Mr. and Mrs. Jack Richards Tuesday evening, April 21 at 6.30 o'clock and took home to God their little son, Jack Jr., whom he had sent them for only seven months and 21 days.

Little Jack was a bright little fellow and we will miss him so much, but we should be willing to say, 'Thy Will Be Done.'

Burial took place at North Elm church cemetery, Rev. N. D. Timmerman, officiating.

A Friend.

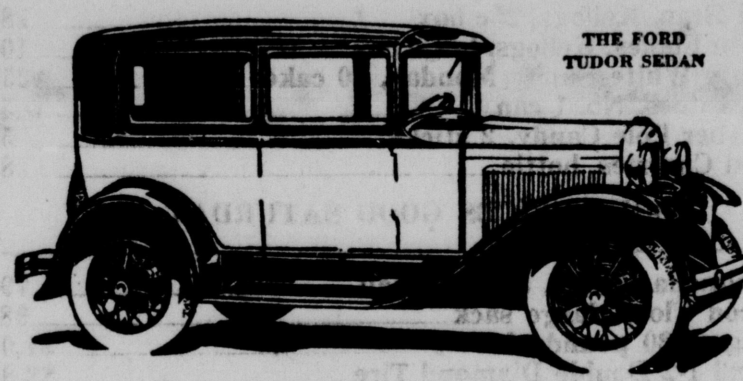
FORD
RELIABILITY



Long, hard use shows the value of good materials and simplicity of design

EVERYWHERE you go you hear reports of the good performance and reliability of the Ford.

One owner writes—"The Ford Tudor Sedan I am driving has covered 59,300 miles through all kinds of weather. It is still giving perfect satisfaction."

Another owner describes a trip of 3217 miles in 95 hours over bad roads and through heavy rain and sleet in the mountains. "Throughout the entire trip," he writes, "the Ford performed excellently and no mechanical trouble of any kind was experienced. The shatter-proof glass undoubtedly saved us from serious injury when a prairie chicken struck the windshield while we were traveling at 65 miles an hour."

See the nearest dealer and have him give you a demonstration ride in the Ford. Then, from your own personal experience, you will know that it brings you everything you want or need in a motor car at an unusually low price.

LOW FORD PRICES
$430 to $630

(F. o. b. Detroit, plus freight and delivery. Bumpers and spare tire extra at low cost. You can buy a Ford for a small down payment, on economical monthly terms, through the Authorized Ford Finance Plans of the Universal Credit Company.)

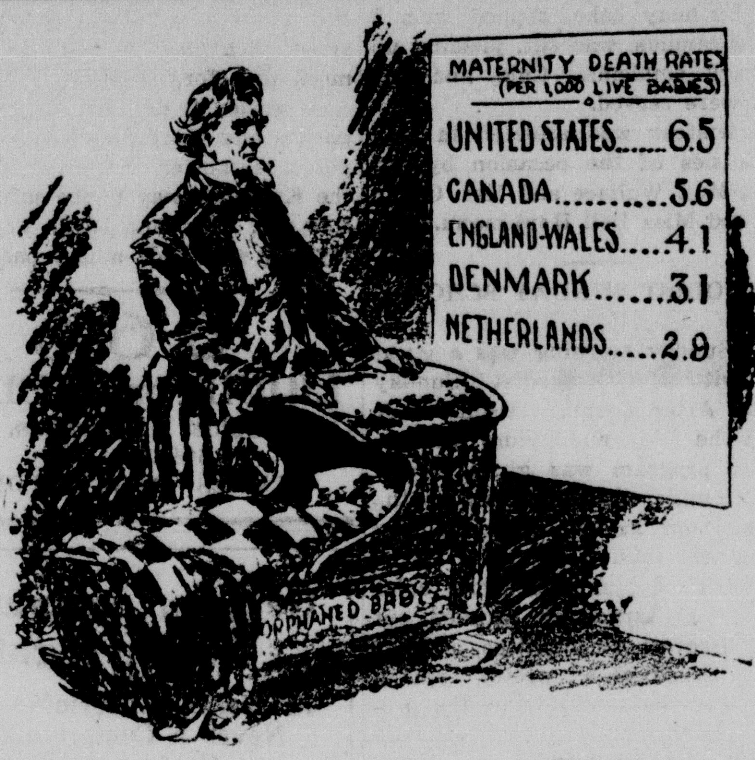
Facing Facts on Mother's Day



Uncle Sam is troubled--sixteen thousand mothers every year fail to answer roll call on Mother's Day. They lost their lives performing woman's greatest duty, maternity. Of these sixteen thousand, two-thirds could be saved by adequate maternity care, according to leading health authorities. The Maternity Center Association, a philanthropic organization supported by voluntary private contributions, located in New York City, supplies information without cost on the subject of maternity care. Public spirited citizens are trying to make Mother's Day mean a better chance for expectant mothers everywhere.

GOOD CHEER CLUB

The Good Cheer Bridge Club met in the attractive home of Mrs. Bob Terry Friday afternoon. The hostess chose a pretty combination of rose and blue for her decoration, and featured pink rose and blue larkspurs, attractively assembled in vases, baskets and bowls.

Three tables with accessories favored the chosen colors, where delightful games were enjoyed until a late hour. Table cuts for high went to Mrs. Roy Griffith, Mrs. Ray Burke and Mrs. Childers. Low cuts fell to Mrs. Dan Tyson, Mrs. Charlie Pollard and Mrs. Gus Evans, all of whom received pretty bridge table covers.

Punch was served during the games.

The following were present beside club members: Mrs. Dan Tyson, Mrs. Lloyd Mitchell and Mrs. B. F. Hurdle.

BUSINESS WOMEN

Misses Rose Rischar, Carrie Marek, and Lucille Butts attended District Meeting Three of the Business and Professional Women's Club held at Marlin Saturday and Sunday, April and 26.

Headquarters were at the Hilton Hotel where an old Southern banquet was given Saturday night at 8 o'clock. Novel decorations carried out the old Southern ideas. Miss Margie Rogers, District Chairman, presided as toastmistress.

Sunday morning there was an Emblem Breakfast at the Arlington Hotel presided over by the local Emblem chairman.

A pretty Bluebonnet luncheon was served at the Majestic Hotel Sunday at one o'clock. Bluebonnets, the state flower, adorned the tables and were seen at vantage points. The menu consisted of fruit cocktail, barbecued spring chicken, whole potatoes, lettuce and tomato salad, hot buns and butter, creamed cauliflower, apple cobbler and ice tea. A splendid program was given at this time where Hon. Tom Connoly was the principal speaker of the occasion. Mrs. Connoly favored the guests with two beautiful voice numbers. Dr. J. W. Torbett presented each guest with an original poem on the Bluebonnet. Tiny crystal vases, previously colored with the hot mineral water of Marlin, were given as souvenirs to the guests.

The next meeting of the District will be held at New Braunfels, and Miss Margaret Warren of Belton was appointed as chairman of District Three.

ATTEND STATE MUSIC MEET

The State Music Convention that was held in Temple last week was a most interesting and instructive affair, where they featured Texas composers, Texas artists and gave some wonderful programs, as reported by Mrs. George Cay and Mrs. Strickland, delegates from the Cameron Symphony Club, and Mrs. R. P. Jeter and Miss Helen Flinn, who enjoyed the sessions.

CAMERON SYMPONY CLUB

Miss Lucille Dickard was a delightful hostess to the Cameron Symphony Club last week at the home of Mrs. W. O. Triggs The lesson was led by Miss Dickard followed by an interesting program.

Next week the club will have as hostess Mrs. Barron, nee Bess DuBois of Bryan who will be in Cameron and will entertain the club in the home of her parents, Mr. and Mrs. J. H. DuBois on West 19th Street. Mrs. Barron is still a member of the club and her visits will be a source of great pleasure to the club members

HOMEMAKERS CLASS

The Homemakers Class of the Baptist Sunday school held a business and social session at the annex Monday afternoon. Mrs. John Hays presided. Mrs. Wm. Henderson led the devotional. A social hour followed the program.

Miss Lilie Mag Jeter gave the lesson last Sunday morning at Sunday school which was most interesting and much enjoyed.

The class will give a Tacky Party at the annex Friday evening at eight o'clock. At this time all members are expected to attend in costume.

COLLEGE PARTY

A social event of attactive appointments was when Mrs. Joe Denson entertained Saturday afternoon at four o'clock at her pretty home in East Cameron, naming as honor guests Miss Elizabeth Gilbert of Louisiana and Miss Lollie Beth Garvin of Navasota, both of whom are students at Baylor College, Belton, who were house guests of the hostess for the week end.

Roses graced the living room and sun parlor, vases and bowls of sweet peas were in delicate arrangement about the dining room.

The hostess and Mrs. Skinner of Rogers, stood at the entrance and welcomed the guests upon arrival, introducing them to the honor guests, Misses Gilbert and Garvin. Guests were chosen mostly from among college girls at home for the week end and those who have completed their college work.

Miss Dorothy Blaylock favored the guests with one of her delightful readings and little Marjorie Ann, the eleven month old daughter of the hostess, came in for her share of pleasure, and in her baby voice gave a number of baby solos, which were understood mostly by the mother but enjoyed by all present.

A buffet course repeating the favored color scheme was served. The guests were invited to stroll where they wished to eat.

Miss Garvin is a member of the Baylor Choral Club which won first place in the State Contest at Temple last week.

Out of town guests present were Miss Anita Goss of McKinney, week end guest of Miss Gladys Davis, both of whom are students in Baylor University, and Mrs. W. B. Skinner of Rogers.

BRIDGE LUNCHEON

Of paramount social interest this week was the one o'clock bridge luncheon given by Mrs. Claude Triggs at her pretty bungalow home on 23rd and Jackson Streets when she entertained with a two course luncheon

A springtime rose garden effect was achieved in the decorations thruout the reception rooms. Old fashioned flowers in pastel shades centered the small tables where the luncheon was served. Table accessories effectively carried out the pastel color scheme and handsome roses graced effective points.

Following the luncheon spirited games were enjoyed and at the conclusion Mrs. W. E. Gaither had made highest score and received a handsome black vase filled with pink rose buds. Consolation fell to Mrs. Niley Smith, a fancy ash tray. Lucky cut was won by Mrs. Alex Triggs, a fancy pitcher.

Those to attend this delightful occasion were Mesdames Stanley Swift, James Coleman, Jr., Charlie Frank Green, W. E. Gaither, James Watson, Niley Smith, Oxsheer Smith, Rusn Thomas, S. A. Cottle, W. A. Bonds, Alex Triggs, Trent Newton, Clifton Jenness, Giles Avriett, George Graves and Miss Aetna Smith.

The hostess was ably assisted in the hospitalities of the occasion by Mrs. J. M. Bowman.

HISTORY CLUB LUNCHEON

A delightful affair of Saturday was the annual Texas Luncheon given by the Cameron History Club at the home of Mrs. Tom Denson, 212 East 13th Street.

This well appointed home was beautiful with quantities of Texas bluebonnets, red Indian Blankets and white spring flowers placed in artistic arrangement about the rooms in baskets, vases and bowls, and were used as a large center-piece for the table that was laid with beautiful silverware and pretty china, where members of the club gathered for a 'Raised in Texas' luncheon. A delightful four course spread was served in faultless style consisting of grapefruit cocktail, whole tomatoes stuffed with sweet bread; plate proper consisted of fried spring chicken, new potatoes, creamed carrots, English peas, plum jelly, hot rolls and butter, fresh strawberry ice cream.

Miss Winnie Henderson was the chaming toastmistress and presided in a delightful manner. A program was given consisting of history of the State of Texas, original poems on Texas and Milam County. Each member took part.

This was one of the outstanding social affairs of the season and was enjoyed by a large number of club members.

Out of town guests were Mrs. Boyd Wells of Austin, Mrs. Hamilton Bonnet of Evanston, Ill and Mrs. Herring of Mississippi.

BUSINESS WOMEN

The Business and Professional Women's Club will hold their regular meeting Tuesday evening, May 5 at 7:30 o'clock at the Texas-Louisiana Power Company's office. An interesting program has been prepared and all members are requested to attend.

ENTRE NOUS CLUB

The Entre Nous Bridge Club was beautifully entertained Monday evening in the home of Mrs. Lester Williams. Sweet peas in profusion were attractively arranged about the rooms given over to the diversion where a number of games were played.

At the conclusion of the games, beautiful bronze book ends were given for table favors and went to Mrs. Fred Johnson, Miss Cora Mae Link and Miss Hilda Burke.

An appetizing salad course was served on trays, centered with bowls of sweet peas. Favors were pretty colonial sweet pea corsages.

Miss Gracie Herndon was admitted to membership of the club. Guests other than club members present were Mrs. LaBertice Robinson, Mrs. Willard Keith, Misses Ethel Collins and Catherine Atkinson.

BAPTIST W. M. S.

All circles of the Baptist Missionary Society had lessons taken from Royal Service Monday afternoon.

Mrs. E. A. Flinn was hostess to the Eunice Taylor Glass Circle with Mrs. Oscar Kidd as leader. There were nine members present.

The Lottie Moon Cicle met in the home of Mrs. Button with Mrs. S. M. Burns Jr., as leader. There were nine members in attendance.

Nine members were present at the meeting of the Lillie Mae Hundley Circle in the home of Mrs. George Mangum. Mrs. W. H. Henley led the lesson.

The Lois Howard Mashburn Circle held no meeting owing to many of the members being out of town.

All circles will meet next Monday afternoon at the church at four o'clock for a business session.

MONDAY NIGHT BRIDGE CLUB

The Monday night bridge club met with Miss Ruby Lingert in the home of Mrs. Jewell Barmore this week.

Sweet peas in attractive arrangement lent floral charm to the reception room where three tables were arranged for games, table accessories delightfully carried out the color scheme.

Tiny vases filled with sweet peas were table favors and fell to Mrs. Earl Burke, Mrs. Penn Wolf and Miss Dallie Young.

Ice cream and strawberries with angel food cake were served at the close of the games. Plate favors were sweet pea corsages.

Guests other than members were Mrs. Henry Patillo, Mrs. Cecil Barmoe, Mrs. W. D. Bigbee and Miss Dallie Young.

PRESBYTERIAN AUXILIARY

Circle One of the Presbyterian Auxiliary met with Mrs. George Mode Monday afternoon with 12 members present. The devotional was led by Mrs. John Watson. The afternoon was further spent in hemming cup towels. They will meet next Monday at the church.

Mrs. C. W. Lawrence was hostess to Circle Two with 11 present. Plans for the new year's work were made after the roll call which was answered with a passage of scripture or some item of interest.

BIRTHDAY PARTY

Mrs. August Horstmann entertained Friday afternoon in honor of her son, Neil, with a party celebrating his eighth birthday, from 3:30 to 5.30 o'clock.

Thirty boys and girls gathered to help Neil have a lovely time at this very happy occasion. Out door games were played and a general good time had, as only boys and girls know.

They viewed the many useful and attractive gifts showered on the honor guest and were then invited into the dining room where a large white birthday cake, topped with 8 burning candles, was cut, yielding up the many emblems. Cake and ice cream were served.

The hostess was assisted in the hospitalities of the occasion by her sisters, Mrs. Wallace and Mrs. Grady Little and Miss Dell Horstmann.

METHODIST SUNDAY SCHOOL

Last Sunday morning was a great thing with the Methodist Sunday school. After regular lessons, they met in the main auditorium where a splendid program was given mostly by the younger classes, taking up the morning hour instead of the regular morning services.

A beautiful pink and white color scheme was atractively carried out by the decoration committee, and the church presented a pretty spring setting for the rendition of the program. Each child showed splendid training and all taking part were much interested in their work.

CHURCH PARTY

A beautiful get-together church party was held Friday evening from eight to ten o'clock at the First Methodist church. The basement was decorated with a colorful array of spring flowers arranged in vases bowls, pedestal baskets and containers throughoot the basement where adults, youth and small children gathered making it a real fairy scene.

A delightful program was rendered during the evening consisting of vocal and piano nombers and readings many of the younger set and children taking part. It was one of the most delightful occasions of the season.

The large grassy lawn around the church where cool summer breezes ae inviting, will be used during the summer evenings for a number of church parties in the future, making a splendid diversion for the church members and families.

BIRTHDAY PARTY

Lee Roy Clore, Jr., ten year old son of Mr. and Mrs. Lee Clore, celebrated his tenth birthday Tuesday from 3:30 to 5:30 by inviting 45 of his little playmates in to enjoy this happy occasion.

Mrs. Clore was assisted in the diversion for the guests by Mesdames F. R. Dunlap and Grady Stidham, and directed a number of out-door games until a late hour when a picnic lunch was enjoyed by all present.

The little honor guest was receipient of many useful and attractive gifts.

Carolina Woman
Lost 47 Lbs.
In 3 Months and
Feels Years Younger

'I have been taking Kruschen Salts for nearly 3 months. I have continued taking one teaspoonful in warm water every morning. I then weighed 217 pounds, was always bothered with pains in my back and lower part of abdomen and sides.

'Now I am glad to say I am a well woman, feel much stronger, years younger and my weight is 170 pounds I do not only feel better but I look better, so all my friends say.

'I shall never be without Kruschen Salts, will never cease taking my daily dose and more than glad to highly recommend it for the great good that is in it.' Mrs. S. A. Solomon, New Bern, N. C., Jan. 1930.'

'P. S. You may think I am exaggerating by writing such a long letter but truly I feel so indebted to you for putting out such wonderful salts that I cannot say enough.

A bottle of Kruschen Salts lasts 4 weeks costs but 85 cents at E. O. Schiller's drug store and druggists the world over. Take one half teaspoon in a glass of hot water every morning before breakfast.

Attention to diet will help—cut out pastry and fatty meats—go light on potatoes, butter, cream and sugar—the Kruschen way is the safe way to lose fat. Try one bottle and if not joyfully satisfied—money back.

CONFEDERATE DAUGHTERS HONOR SOUTHERN DEAD

Decoration Day Here Observed With Program

Decoration Day was observed by the United Daughters Confederacy at Oak Hill Cemetery Sunday afternoon, April 26 at 2 o'clock. Beautiful bouquets of flowers were made and taken to the cemetery that were placed on the graves by the grandchildren of Confederate Veterans and the Daughters of Confederacy.

The following program was given:

Introductory, prayer led by Miss Mollie Moore.

Paper, 'Why We Should Use the Term, War Between the States,' Zora Clark Wilkerson.

Memorial Address, Rev. C A. Lehmberg.

Memorial List 1931, Mrs. Sue Dollar Baskin.

Roll of Confederate Dead in Oak Hill Cemetery, Judge Jeff T. Kemp.

Mrs. Sue Baskin read the following beautiful poem and dedicated it to Mrs. Nannie Newton, Mrs. Mary Robinson, late widows of Confederate soldiers, and the late L. W. Harris. Veteran.

'We thrust aside the curtain
That hangs in Memory's Halls
We view the faces of departed friends
We see them on our walls.
We see the host of our order
Who have crossed over the narrow stream,
We sense the toil of footsteps
In all that our order has gleamed
We pay from our hearts a tribute
Of friendship, truth and love,
Strengthened by the ties that bind us
With fraternal bonds from above.
And feeling of sadness comes o'er us,
And our eyes are moistned by tears
That we, their comrades left here,
Could fail them in all they held dear.
Uncover your heads in silence,
Lower your pennants so gay,
Stop in your mad rushing whirlwind,
To ponder, to think, to pray,
To study their words of wisdom.
To think on their lives so true,
And give to their silent pleading
All that is best in you.
There is no death, the stars go down
To rise upon some other shore,
And bright in Heaven's jeweled crown,
They shine forever more.'

JAMES W. DAUGHERTY IS BURIED IN AUSTIN

FORMER RESIDENT HERE DIES ON FRIDAY, APRIL TWENTY-FOURTH

The news of the death of Jim W Daugherty, who died in Austin, Friday, April 24, at 2 a. m., at the home of his daughter, Mrs. Joe Callon, 109 Chicon Street, reached Cameron on Friday morning.

Mr. Daugherty formerly owned Riverside Farm and lived on it for a number of years before moving to Austin. He is well known here and had many close friends who will regret to hear of his passing.

After leaving Cameron he purchased the Commercial hotel and a number of brick business houses connected with it, and owned it at the time of his death. He also had valuable holdings in the oil field near Eastland and Cisco. He had been in ill health for a long time and the last few weeks was not able to be up.

Deceased is survived by two daughters and a brother, W. J. Daugherty, all of whom were present at the funeral held Saturday afternoon at 2 o'clock, interment was made in an Austin cemetery.

R. L. Batte and John Ryan motored to Austin Friday for a few hours. returning Saturday morning.

CORRECTION

In this issue will be found an advertisement from Max Collins, dry cleaner, announcing specials on cleaning and pressing. This ad was brought to this plant in advance of an agreement reached by the cleaners on Wednesday night and was printed too early to be eliminated from this issue. Mr. Collins withdraws this offer.

Wm. R. Rogers Still Under Treatment In Temple Hospital

William R. Rogers, who sustained an injury to his right eye two weeks ago is still confined in the Woodson Sanitarium in Temple under treatment.

The injury was sustained while Mr. Rogers was cutting a piece of wire at his home, a portion of it striking him in his right eye. At first it was thought the sight would be saved but the injury was more serious than anticipated and the sight has been lost.

Reports from the hospital Thursday indicated that it might be necessary to remove the eye ball. After it became known that the sight had been lost, it was thought the ball might be preserved.

Friends here trust that it will not be necessary to operate further and that he may soon be restored to health.

Paul Lukas Merits Fame In Masterful Role In "Unfaithful"

'Unfaithful,' an absorbing drama of the disillusioned wife of a public hero, is Ruth Chatterton's latest dramatic sensation, and the Milam Theatre will feature this attraction Sunday and Monday. Paul Lukas, seen with Miss Chatterton in her recent pictures, 'Anybody's Woman' and 'The Right to Love,' has the chief supporting role, with Paul Cavanagh and Juliette Compton, both well-known stage favorites heading the cas.

Miss Chattertons great talent is given unrestricted play in 'Unfaithful.' John von Druten, the playwright who won prize honors with his stage play, 'Young Woodley,' fashioned this inspiring story especially for her. As an American girl married to the popular hero whom she loves madly; as the disillusioned wife who finds her husband's virtues are merely a mask for his secret philandering; as the reckless thrill-seeker, seeking desperately to drown her pride in one wild escapade after another, this brilliant actress plays a series of characterizations in which her emotional expression finds its best expression.

Again as in 'Anybody's Woman' and 'The Right to Love,' Paul Lukas enters to save the woman from herself. The suave Lukas has exercised his rare fascination in scores of minor parts. It remained for 'Unfaithful to bring him the opportunity to exercise his talent to the full. Cavanagh, as the hero-husband, plays an exacting role with great skill and polish. Miss Compton, seen in 'Morocco' and 'Anybody's Woman,' is here the beautiful object of Cavanagh's extra-marital attentions.

As an assurance that all these excellent materials of cast and story are woven together, the name of John Cromwell, maker of such hits as Powell's 'Street of Chance,' Bancroft's 'Scandal Sheet,' appears as director.

Commercial Club Votes Endorsement Here Of Freight Delivery

Store door delivery of freight in Cameron was endorsed at the meeting of the commercial club directors held on Monday night.

The handling of freight on the basis of transport companies inaugurated by the Southern Pacific Lines in Cameron, was endorsed and approved, no mention having been made of any railway company, the service being praised and endorsed.

It was pointed out that the receipt of freight which is delivered free to the doors of business firms, is a great convenience and a saving to the merchants. Besides affording employment for more people in Cameron the service insures prompt delivery.

In connection with this endorsement the club directors expressed an appreciation for the contribution made by the railway companies to the progress of Cameron; that they maintain local employment and contribute large sums in taxes and in many ways cooperate for the upbuilding of Cameron. This is also a preference expressed for the railroads as against truck lines, the directors feeling their responsibility to the service of the railroads and all their operation has proven in the way of progress for the country at large.

Miss Lizzie Bachouse of Rockdale spent a few days here visiting Mrs. Bob Wiley this week.

CAMERON CLEANERS END PRICE WARFARE

Cameron cleaners have ended the Price War. In this issue of Cameron papers will be found an announcement of new prices, effective at once in all plants in Cameron.

In addition the following statement has been issued by the cleaners discussing the economic side of the question:

'What is WAR? War is destruction where no one wins, regardless of the outcome. Economic war is a fight with dollars rather than with guns.

'Business, industry, financial institutions and labor are all in a hand-to-hand grapple all over the United States and the world as well. When any business or industry in any community is doing business below cost, the community suffers, every inhabitant suffers, either directly or indirectly.

'When any business goes broke the owners, the creditors, the employes and indirectly the community; all suffer. When a bank goes broke the stockholders, the creditors and the public also suffer

'There is a law of compensation which is as accurate and true as the natural law—you cannot get something for nothing. Therefore, if you are a party to an unfair bargain, the acceptance of money made in error by some cashier, the recipient of labor or goods not fully paid for, you lose.

'There is a community responsibility as well as a personal responsibility. Should you be a party to an economic war?

'What does an economic war do? It tears down good, responsible firms; it robs labor of its just reward; it creates debts which become the loss of someone in time; it destroys profit which is the life blood of industry; it makes prosperity impossible.

'People of Cameron. If we are to have a prosperous city, we must live above selfish desires. We must have a broader view of business and our economic welfare.

'Yes! A doctor can make a call for 50c; a barber can shave for 10c; a carpenter can work for $1.00 a day and so on, but what kind of a standad of living would we have in America? One similar to that of the Oriental.

'You tell anyone these facts, business man or otherwise, he will agree with you; but, sad to say, we do not always do the thing we know is right.

'When you send your suits and dresses to the cleaners you know you are protected. We are responsible.

W. M. COBB IS ELECTED SECRETARY OF CLUB

OFFERS TO RESIGN AND MAKE WAY FOR FULL TIME MAN IF CLUB FAVORS

W. M. Cobb was elected secretary the Commercial Club on Monday night to succeed himself at a meeting of the directors.

Mr. Cobb was nominated and elected by acclimation and in accepting the place, said he would resign whenever the club saw fit to employ a full time secretary.

The employment of a full time secretary was discussed. It has been discussed for a number of years but so far has not been realized. The club for the first time in its history is operating on a budget system this year and in the course of time a full time secretary may be employed.

F. S. Lesovsky discussed in brief the road bond issue, saying that in some instances bonds had been voted with the understanding they were to be refunded by the state to the counties and districts. No action was taken by the club. It was pointed out that the Legislature has not submitted the bond plan and indications are its defeat has been accomplished in the house.

COUNTY HEALTH MEET TO LAST THROUGH MAY

COUNCIL ANNOUNCES MEET TO BEGIN ON SATURDAY MAY THIRD

We are happy to announce that a County Health Meeting will begin for Milam County next Saturday, lasting through the month of May.

The first event is to be an open meeting of the County Council of Parent-Teacher Associations where Mrs. Bess C. Ledbetter of the State Department of Health will speak on Public Health Nursing. This will be at three o'clock next Saturday in the District Court Room.

The next event will begin next week, lasting throughout the month with relays at various points in the county, when Miss Sue Nickerson, loaned to Milam county by the State Department of Health, will be visiting rural schools and groups of grown-ups as well as children, giving health talks and having classes in home nursing.

We especially urge all who can to be at the District Court Room at 3 o'clock next Saturday when Mrs. Ledbetter will speak and the full program for the month will be announced.

STATE ROAD BONDS WILL NOT DOWN

By J. K. FREEMAN

In the first primary election of 1929, there were seven or eight candidates for governor. Mr. Sterling and Senator Love advocated an issue of 350 million dollar road bonds. Each of the other candidates opposed the bond issue. Other measures were advocated, but the bond issue was the major or practically the only one in the campaign. Mr. Sterling and Senator Love together received about one-fourth of the votes, showing that the people voted against and condemned the bond issue.

In the second primary, Mr. Sterling stated that he bowed to the will of the people, and that he would press the bond issue no further; and adopted a new platform; namely, an honest business man for governor, economy, and a reduction of taxes. And in the second or run-off campaign, it was heralded throughout the State by the supporters of Mr. Sterling that the bond issue was abandoned, and that no bonds would be issued; and on these promises Mr. Sterling was nominated and elected.

In disregard of these campaign promises, and with the acquiescence of Mr. Sterling, if not at his special request, resolutions have been introduced in the Senate and in the House providing for the submission of an amendment to the constitution, authorizing the issuance of state road bonds for 212 million dollars.

Bear in mind that Governor Sterling, the members of the House, and the Senators elected at the last election were nominated and elected on their promise and assurance to the people that no state road bonds would be issued; but in spite of this, the resolution to submit the bond issue has been adopted by the Senate by a two-thirds majority, and it remains to be seen what the House will do. Until the contrary is shown, we should maintain faith in the members of the House that they will keep their campaign pledges and promises.

Did Governor Sterling and the Senators who voted to submit the bond issue do right or did they do wrong?

(To be continued in next issue of The Herald)

Condition of Mayor, In Temple Sanitarium Is Reported Unchanged

Reports from the Scott & White Sanitarium at Temple Thursday morning on the condition of Mayor W. W. Chambers, indicate that little change has been noted since the last issue.

Mr. Chambers was operated on for cancer of the throat some 14 days ago by Dr. Scott. On account of his condition it was thought inadvisable to perform a second operation on the eleventh day. Instead a blood transfusion was given to improve his condition.

The many friends of Mayor Chambers here hope for more favorable reports on his condition within the next day or two. Mr. Chambers is a pioneer member of the Cameron bar and has been an attorney in Cameron for many years. He is serving his third term as Mayor of Cameron.

College President Will Preach Here

Rev. E. M. Stanton, president of Lon Morris College, Jacksonville, Texas, will preach at the 11 o'clock service next Sunday morning and Rev. King Vivion, D. D., president of Southwestern University is expected to be here and to preach at the 7:45 p. m. service. Both of these educators will also be on the program to speak during the afternoon when the young people from all of the Marlin District embracing 22 churches will meet here. Rev. E. L. Ingrum, the presiding elder of this district is also on the afternoon program; he will hold the Second Quarterly Conference of the local church after the night service. The public is invited to any and all of these services.

53 YEARS IN CAMERON

The Herald has been published in Cameron for 53 years. This issue is No. 2 of the 54th year in business.

Newspaper people say little about themselves and much for others On this occasion we wish to extend our sincere thanks to those who have made this publication possible during the 11 years it has been under the present management.

More than a half century of service to the community and to its great family of readers is the record of this newspaper.

The Herald was established in 1878. Much of the file history of this paper is missing but a systematic preservation of files is now in progress. Much of the world's history has been written since the first issue of this paper 53 years ago. We hope to merit the continued support of the people.

The Publishers.

While the 14 year old son of J. F. Shafer of Hanover was attending a baseball game in Gause last Sunday he was struck in the left eye by a foul ball. He was rushed to the office of Dr. Taylor in Cameron where he was given treatment. It was found that the eye orbit and left side of the nose were seriously injured but if no complications ensue the eyesight will be saved.

Kenneth Wiley of Waco was a week end guest of his parents, Mr. and Mrs. Robert Wiley.

BUDGET NEEDS HERE FOR COMMERCIAL CLUB TALKED

Firms Benefitting In Cameron Should Subscribe

Giles L. Avriett, president of the Commercial Club and chairman of the Budget Committee, made a report of the progress of the committee at the meeting on Monday night.

The report disclosed that the budget lacks several hundred dollars of attaining the amount set, but indications are that the amount may be reached when the committee has completed the canvas which is expected to be done in time for a final report at the next meeting.

It was pointed out by a number who discussed the budget that firms benefitting in Cameron thru activities of the club who have not yet made their contributions should do so as a matter of bearing their share of the burden. To make the club worthwhile the budget is necessary and its benefits accrue to every business firm in the city alike.

Among the problems discussed was the numbering of houses in Cameron and naming streets. This matter has been under discussion both in the club and in the city council for a number of years but so far nothing has been accomplished. The problem may be solved if the city will pay for the numbers which, it is estimated will cost less than $75.

The Texas Power & Light Company at the instance of Manager J. C. Young, will furnish labor necessary for the installation of numbers. The completion of this work will insure another mail delivery route for the city, it is understood.

Jeter Lumber Company Celebrates 38th Year In Business Here

The Jeter Lumber Company on May first will celebrate its 38th year in business in Cameron.

A letter mailed to the patrons of this company was received last week and as usual Mr. Jeter is to enclose to his patrons a calendar for 1931.

The letter going to the patrons of the firm is printed on cotton and as Mr. Jeter says, 'a new use for something we are interested in.'

The people of this community congratulate the firm on its 38th year in business and wish for this old, established firm many more years of successful operation.

CANADIAN MINISTER AT MISSION RALLY

SUNDAY MAY 3 WILL BE FOREIGN MISSION DAY FOR COUNTY

Rev. Duncan Ritchie of Prince Albert, Saskatchewan, Canada will be the principal speaker at a County-wide Mission Rally to be held in the First Baptist church of this city Sunday May 3 at 3 p. m. On the same program will be Dirk Vandervalk, a student from Holland, and Rev. Herbert Pierce, who was reared in China.

Sunday, May 3 has been dedicated to Foreign Missions by the Executive Board of the Milam County Baptist Association, and there will be a mission program in each Baptist church in the county, under the direction of the Foreign Volunteer Mission Board of the Southwestern Baptist Theological Seminary of Fort Worth, according to Kelly Simmons, chairman of the Associational Mission committee.

Mrs. Price Herring of Indianoia, Mississippi and sister, Mrs. W. L. Hightower of Weimer, are guests of their cousin, Mrs. John Denson. Rev. Hightower came for a few days visit but returned the last of the week to fill his pulpit at the Methodist church in Weimar Sunday.

Miss Maggie Donalson of Rockdale is a guest of her sister, Mrs. Bob Wiley.

Mrs. A. L. Peterson of Waco has been a recent guest in the home of her parents, Mr. and Mrs. Henry Ruby.

"THE WORLD DO MOVE"

Thorndale Man Makes Observations

Fifty years make a big difference in the customs and habits of the people. In the current issue of The Champion a Thorndale citizen whose name is not given makes the following observations:

1881

Fifty years ago, women wore hoop skirts, bustles, petticoats, flannel nightgowns, puffs in their hair, did their own cooking, baking, cleaning, washing, ironing, raised big families, went to church on Sundays and were too busy to be sick.

Men wore whiskers, square hats ascot ties, red flannel underwear, big watches and chains, chopped wood for stoves, bathed once each week, drank 10 cent whiskey, 5 cent beer, rode bicycles, buggies and sleighs, went in for politics, worked 12 hours a day and lived to a ripe old age.

Stores burned coal oil lamps, carried everything from a needle to a plow, trusted everybody, never took inventory, placed orders for goods once a year in advance, and always made money.

1931

Today, women wear silk stockings, short skirts, low shoes, no corsets, an ounce of underwear, have bobbed hair, smoke, paint and powder, drink cocktails, play bridge, drive cars, have pet dogs and go in for politics.

Men have high blood pressure, wear no hats, some have no hair, shave their whiskers, shoot golf, bath twice a day, drink poison, play the stock market, ride in airplanes, never go to bed the day they get up, are misunderstood at home, work five hours a day, play often and die young.

Stores have electric lights, cash registers, elevators, never have what the customers want, trust nobody, take inventory daily, never buy in advance, have overhead, markup, markdown, quota, budget, advertising, stock control, annual and semi-annual, end of the month and Founders Day, rummage and Economy Day Sales and never make any money.

Cattle Dipping For County Announced

Mr. Davidson states that cooperation from all concerned has been very good, and that most people are anxious to dip, and complete the tick eradication as soon as possible. He says that when the work is started at this time of the year, the ticks can be eradicated with the shortest dipping period of the entire year, and that those who show ticks for any reason later in the season will be required to dip through the winter months. For this reason all those who have ticky or exposed cattle are urged to start in at the first dipping and continue until they have been given a release.

He also desires to call attention to the fact that after the dipping begins it will be a violation of the law for any cattle to be moved from one point to another in the county without first securing a permit from one of the inspectors, except when being moved to the dipping vat on regular dipping days or when an inspector is present at the vat.

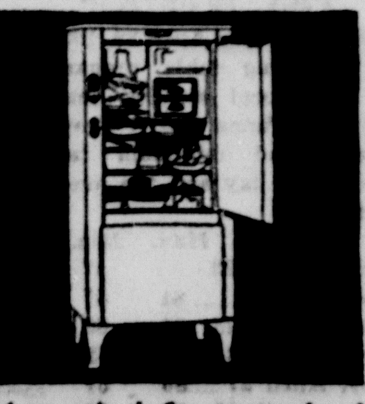
The TOP of every FRIGIDAIRE is a porcelain-topped table

Food on its way into a Frigidaire and food on its way out need not be juggled, or tip-tilted, or inconveniently parked on the distant kitchen table . . . the flat expanse of showy porcelain atop the Frigidaire makes such a perfect serving shelf!

It is an ideal place to put piping-hot things that should be cooled off before they are exposed to low temperatures . . . a splendid *permanent* place to keep the few foods that need not be refrigerated.

And nothing—hot or cold, smooth or scratchy—can in any way scar or mar the lifelong lustre of its diamond-hard Porcelain-on-steel finish.



A conveniently flat, unencumbered serving table top is one of the very real advantages of Frigidaire Advanced Refrigeration. There are many others. We invite you to come in and learn all about them.

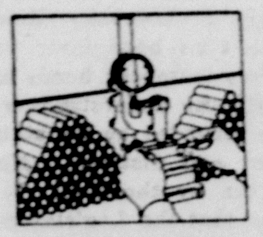
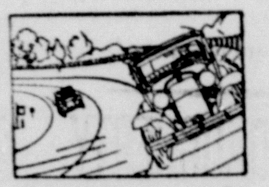
Soundly built to serve you long and well



The piston pin test—showing one of the many marvelously accurate gauges used to maintain Chevrolet quality

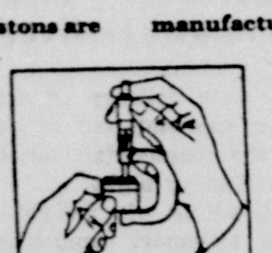


Chevrolet cars are run millions of miles each year at General Motors' great proving ground

If you could see the new Chevrolet Six being built, you would understand why it performs so well, lasts so long and brings so much satisfaction and pleasure to its owners. The quality of raw materials is held to standards unsurpassed anywhere in the automotive industry. In the manufacture of the engine alone there are hundreds of separate inspections. Pistons are matched in sets to within one-half ounce. Piston pins must be within 1½ tenths of one one-thousandth of their specified size. Connecting rods are matched to within one-quarter ounce and are *individually fitted by hand.* The special alloy-steel crankshaft is the subject of truly amazing care and precision in manufacture and cannot vary from perfection in balance more than ½ inch-ounce!

These few examples of Chevrolet standards indicate the care used in the manufacture of *every* part of the car.

Soundly built to serve you long and well! No compromise with quality in manufacture means no compromise with complete satisfaction in ownership.



Chevrolet precision instruments are regularly checked against master gauges which are accurate to one millionth of an inch

FIREMEN WIN THRILLER FROM ROSEBUD SUNDAY

SCORE IS 14 TO 13 AS CAMERON WINS SUNDAY GAME IN ELEVENTH INNING

By SUNNY POPE

The Rosebud Roses would give their right arms to win a ball game from Cameron and it looked rather gloomy for the Firemen on seveal occasions Sunday afternoon but when a tieing run was absolutely needed it was forthcoming somehow. It required eleven innings to finally win by a 14 to 13 score which was won by Vogelsang's long drive to the center field wall with the bases full—and two out i nthe eleventh. From the opening curtain to the thrilling climax in the lucky eleventh the tide of battle went pro and con.

This was the first game to be pitched by Keith and considering the aggregation brought with him it is a very creditable showing he made. In the tenth inning he was taken from the lineup and replaced by Vogelsang. This proved to be the right move as events showed.

The game was a seesaw affair from the first. The game went into the ninth with the score ten to eight in the visitors favor. They made one tally in the ninth. The Firemen then tied the score by getting three runs on four successive hits. Deer first up singled and took second on Walker's bingle. Jenness then scored these two on his blow. 'Slew' Thompson then tripled scoring Jenness. D. Thweatt then attempted a squeeze and a pop up to the pitched was an easy out and slew doubled out at third.

In the tenth French poled a long drive over the right field fence for the only home run of the day. The Firemen came right back and again tied the score on Doug Williams' single and Pro Deer's triple. In the eleventh the Roses again forged into a one run lead on a single, two stolen bases and a passed ball through Jenness. Then came the climax deluxe

Jenness, first up went out short to first. Slew got on first on a pitcher's error. D. Thweatt singled putting Slew on second. Slew took third on a fly to right. Thweatt stole second. Tex Miller walked filling the bases. With two out and the tieing as well as winning runs on the bases Vogelsang picked out one of Mr. Little's benders to his liking and put it into deep center, the ball rolling to the fence scoring the two necessary runs.

There's a MARCH BLIZZARD on Your Gas Bill

IN THIS balmy weather it's hard to realize that such a short time ago as March 27th, we were shivering and dodging indoors to get warm. The headings reproduced here tell the story of that cold wave. A blizzard had swooped down from the north with but a moment's warning. We hardly believed the weather-man when he told us, "Freezing weather due tonight." But the temperature dropped 15 degrees in one hour! Gas consumption doubled, tripled, and in a few hours the demand had gone four times above normal. Hundreds of men, trained for such emergencies, sprang into action. Gas was drawn from 1,000 wells in 32 fields. And the homes in 291 Lone Star communities had *plenty* of gas. WHEN YOU PAY YOUR GAS BILL THIS MONTH—REMEMBER—THERE'S A MARCH BLIZZARD INCLUDED.

Seventh Grade News

The following compositions were written by pupils of the Seventh Grade for publication in this paper:

Woodrow Wilson

Thomas Woodrow Wilson was born in Staunton, Virginia, the son of a Presbyterian minister. The family was fairly well-to-do, Wilson himself was lazy, as he did not deny. His eyes were weak, too, and this prevented him in a measure, from playing as much as other boys. He loved books and received much of his early education from that source. The earliest memories he had, he said, were those of his father trying to teach him to read. At sixteen, he went to Davidson Seminary. There he played baseball and tennis. Baseball was his favorite sport, although he also liked tennis and track. He never played cards, bridge or any game of that sort, but a baseball diamond drew him like a magnet.

Woodrow Wilson, after serving as President of Princeton University, professor at Bryn Mawr and as governor of New Jersey, was elected to the Presidency of the United States. He was our twenty-seventh president. He was founder of the League of Nations, based upon his famous statement: 'The world must be made safe for democracy.' The League of Nations stands as an everlasting memorial to our 'war president.'

One day a member of the cabinet proposed to stop work to attend the opening baseball game of the season between Washington and Philadelphia which he knew the president would enjoy. But Wilson declined, giving as his reason, 'My boss would not let me.'

The astounded cabinet member asked, 'But who is your boss? You should have none, for you are president.'

'My boss is my conscience,' Wilson answered.

Wilson was noted for being a wit, and the following is an anecdote which he told of his father:

'One day while circuit-riding, my father was asked by a neighbor, 'Preaher Wilson, why is your horse so fat, while you are so thin?'

'Oh' my father replied, 'I feed the horse but the congregation feeds me.'

—Margaret Fisher.

Benjamin Franklin

Benjamin Franklin was born in the town of Boston. He was the fifteenth of seventeen children and, as his father was poor, he had no advantages Benjamin went to school less than year and then he went to work as n apprentice for his elder brother, ho was a printer.

Franklin is known in American history as a man who was distinguished in almost every field of endeavor. Among other things, he invented the Franklin stove and the lightning rod and he proved that lightning was electricity. In Philadelphia Franklin introduced the first public library, postal service, fire company, and police system. He edited the Pennsylvania Gazette and Poor Richard's Almanac which were read by almost everyone in the colonies.

When Franklin invented the stove he was asked why he didn't have it patented. He replied by saying that he should be glad of an opportunity to serve others because we enjoy such great advantages from the inventions of others. Franklin was very thrifty. In editing Poor Richard's Almanac, some of his proverbs were 'Lying rides upon debt's back,' 'Never leave that till tomorrow which you can do today,' and 'Tis hard for an empty bag to stand upright.' These and others wise sayings helped to make the people who read them more thrifty.

—John Martin.

Edison

Edison was born in Milan, Ohio, but spent most of his boyhood in Port Huron, Michigan. He began his career as a newsboy on the Grand Trunk Railway and his taste for experimenting led him to fix up a laboratory in a baggage car. One day he dropped a bottle of phosphrous and set the car on fire for which the conducter boxed his ears and kicked him off the train. This made him a little deaf. He then studied telegraphy and secured a job as a telegraph operator at Port Huron and later in Canada on the Grand Trunk Railway.

After working at this a while he began his career as an inventor in 1869; first he invented the stock ticker which was of great importance.

Thomas Alva Edison was born into a poor family. When he was a very small boy in a grammar grade, he asked the teacher many questions that she could not answer so she told his mother not to send him any more because he could not learn. His mother took him out of school and taught him at home all that he knew until later years. Edison did not play very much but when he did, he played hard and forgot all care.

Thomas Alva Edison is the greatest inventor of the world. He is called the 'wizard'. He invented all the electrical things that we have today. One of the most important things that Edison invented was the electric light, and another thing is the moving picture machine which will take 20 pictures a second.

Edison has been given many medals by many nations but he will not wear one because one of his characteristics is his dislike for display. Once a visitor went to present Edison with a medal and while there he asked him if he had any more medals. He said, 'Oh, yes, I have a couple of quarts more up at the house.'

—Velma Reese.

David Lloyd George

When David Lloyd George was two years of age his father died. His mother sent him to Wales where he was reared by an uncle. He was born into a world of slight hardships. He received a good education and practiced law.

We remember him for the organization of old age pensions and educational and land reforms. He was a lawyer and Premier of England. He also entered the Campbell-Bannerman Cabinet as President of the Board of Trade, and carried on the work of that office with brilliant success.

He was a man with an intense and dominating love of democracy. Both his friends and opponents would agree that he had a genius for getting things done. Only a man of decision and action could have sponsored England in the great movements that are identified with his name, old-age pensions, insurance against sickness and nonemployment, educational and land reforms.

—Albert Kelley.

Woodrow Wilson

Wilson was born in Staunton, Virginia, December 28, 1856. His father was a Presbyterian minister. Being born of a family of moderate means he grew up as other boys of his time except for his schooling. At the age of nine he attended school for the first time. Although being hampered by a late start he was ready for college at the age of 17. At Davidsen College he studied for a year until his health failed from physical exertion. Later Wilson went to the Princeton University. Here he became attached to football and very fond of reading. His grades were above the average.

Woodrow Wilson was the president who carried the United States thru the World War. No president since Lincoln was faced with the great problem that faced Wilson. He was the twenty-eighth president and a Democrat. During his career many problems came up. The main one being the World War. The seventeenth, eighteenth and nineteenth amendments were formed during his two terms of office.

Wilson was a man who tried to the uttermost to carry out his promises. He showed it when he passed the Panama Toll Exemption Repeal. The government was permitting United States ships to go through the canal free of toll and made other vessels because in a treaty with England the United States promised to let all ships go through on equal terms. Wilson said that the Panama Toll Exemption was wrong because of this treaty.

Wilson died in 1924 from overstrain; trying to persuade the United States to adhere to the League of Nations which showed that he was a peace loving citizen.

—Billy Gillis.

Robert Edward Lee

Robert Edward Lee was a native Virginian. As young Robert was born of high class, cultured people he had no hardships. He went to the best schools and when he finished high school he went to West Point and graduated there. Robert loved hunting and riding and spent much of his time at these sports.

We remember him for his character and his military genius. He fought in the Mexican War and was Commander in Chief of the Confederate forces. Robert Edward Lee defended Richmond so galantly during the War that he stayed througnout the war the gallant defender of Richmond. His most important work was his military experiences during the Civil War.

His character ranks very high. During the war he sent his Sunday school collection in every week. At the end of the war before Lee surrendered a spy was captured and Lee would not have him shot because he knew the war would soon be over.

Bever Thomas.

Abraham Lincoln

Lincoln was born in Harding county, Kentucky. He was born into a very poor family; they lived in a log cabin with a dirt floor and furniture made of logs. Lincoln did not have a very good schooling, but he went to a small school five miles from where he lived. The teacher taught, reading, writing and elementary arithmetic. He always practiced shooting or helping his father in the fields, because they had not heard of football or baseball.

We remember Lincoln for the great things he has done for the United States.

A man was charged with assault and battery; Lincoln won the case by telling a dog story. After the testimony had clearly proved that the plaintiff although getting the worst of it in the end, had started the fight.

'But your client could have protected himself without half killing mine,' retorted the lawyer who was opposing Lincoln.

'That reminds me of a story,' said Lincoln. 'A man who was attacked by a farmer's vicious dog, killed the brute with a pitchfork.'

'Why did you kill my dog? Why didn't you defend yourself with the other end of the pitchfork?' demanded the angry farmer.

'Well, why didn't the dog come at me with his other end?'

—Vivian Ondrej.

* * *

Every town has a man who is always loaded down with a lot of free jobs, chairmanships, and secretaryships that take all his time and pay no salary. His townspeople do not refer to him as a success but somehow always manage to slip him the jobs that do not pay. When there is a good job to give out someone else is given the job.

SIDE AND BACK

Lady Had Suffered So Much Pain Was Almost Desperate. Says Cardui Helped Her.

Denison, Texas.—"Before I took Cardui, it seemed like I had tried everything, for my health was wretched," writes Mrs. Nannie Davis, of 418 W. Woodard Street, this city.

"I was in bed most of the time," explains Mrs. Davis, "suffering so much with pain in my side and back, and weakness. I was so discouraged, I was almost desperate.

"I knew there ought to be something to reach my case. I only weighed about 110 pounds. My eyes were hollow and I looked awfully bad.

"A good friend told me about Cardui. After taking my first bottle, I felt better, but I kept it up until I had taken four bottles, and now I am well, have no pain in my side or back, and feel like a new woman. I can work most of the time, and feel fine.

"For three years, I have been free from pain. That is why I recommend Cardui."

If you are run-down, nervous, or suffer every month, take Cardui, a medicine used by women for over fifty years. As your health improves, you will share the enthusiasm of thousands of others who have praised Cardui for the benefits they have felt after taking it. BC-240

CAMERON CLEANERS END PRICE WAR HERE

SUNNY'S SIDE

In the game against the Rosebud Roses the Firemen as a team batted at a .390 clip. We made the prediction at the beginning of the season we were going to have a heavy hitting team.

One two-bagger and four three-baggers were among the sixteen hits amassed Sunday. Walker led the bunch with a .666 average. At that the Roses themselves hit at an .346 clip. Burks, center fielder having a perfect day of it with four runs scored, four hits in four times up, two put outs and no errors.

Muldrew of the Roses came to Cameron with the evident intention of not allowing our team to get too much of a lead. He yanked Parcus in the third after four runs had been made off of him but only three hits had been chalked up against him. Little, who relieved Parcus, was hit hard though he whiffed seven Firemen.

Sunday, May 3 is the first positive date the Firemen have. Rogers will be here Sunday afternoon to give the Firemen batting practice. A game with Ben Arnold for Saturday, May 2 is in the incubator but at this writing, whether it materializes or not is problematical. We are trying to have all the Sunday games played at the Lawless Green Field but Rosebud gets the Sunday date of May 10 when we go to play there for their return date.

Vogelsang's long dauble against the center wall in the eleventh, scoring the winning runs brought the day to a perfect ending. The stands gave him the acclaim usually reserved for royalty.

The weather was uncomfortably cold and rain threatened to cause a relented after the second inning and postponement, but the weatherman the clouds blew over.

After talking with Archie Peel's father in the dugout Sunday I fear that Cameron has lost the valiant services of Archie for he is destined for stardom in baseball. And by the way these two Peel boys have won more games for Cameron than any other two I can name.

'Slim' Vogelsang's signature has been obtained for a birth on the team for the year. He will doubtless prove to be the Breitenstein of the league. He won his spurs last Sunday when he won his own game by his long drive to center field fence which scored the necessary runs in the eleventh inning.

When old Milam needs the moisture would much prefer to witness the downpour of yesterday than a ball game. The ball games only add to y work.

Reports by scorer Stall of the Yo. High and A. & M. Freshmen game the Cameron boys gave their oppenents an awful battle.

Here is where we take issue with History, which says that this very beautiful woman rode nude, through the streets of Coventry, as a condition of the removal of taxes. Our own opinion is, she had just heard of the superiority to all others of Goodyear tires and was so anxious to find out more about it she simply forgot her clothes.

We have drawn as much of her as we think discreet.

OPENING GAME IS LOST TO SHARPE

FIFTEEN HITS GOOD FOR WIN OVER FIREMEN SATURDAY AFTERNOON

By SUNNY POPE

The Sharp Shooters invaded our city Saturday afternoon and took home with them a five to two victory which they won from the Firemen at the Lawless Green field. There were times during the game when it looked as if the Fire Department itself would have to be called to help put out the Sharp Shooters. The visitors collected a total of fifteen hits, one a home run and two two-baggers. There were several of these hits during the afternoon which would have been easy outs but the infield showed evidence that the diamond was rough and not yet sufficiently worked to permit flawless fielding. The infield hits took wierd hops at times and these fluke hits are just as disastrous as the honest-to-goodness variety. Offering no excuses for the defeat yet I must say the Sharp Shooters did get the breaks of the game.

This was the first game in the Temple Telegram cup race and it proved to the fans that the team is yet far from playing the brand of ball of which they are capable.

Sharp scored the first run in their initial time at bat. Bartlett out, pitcher to first. Rosenberg, Garner and McDonald got hits. An infielders choice scored Rosenberg.

The Firemen came back in their first time up to tie the score. Williams singled. Baggett struck out. Walker forced Williams at second. At this stage Byrd became wild and forced in a score by giving three free passes to first.

No further scoring was done until the seventh when Sharp made two runs on three hits and two errors. The Firemen scored one in the seventh but with the bases full were unable to put over even the tieing run and it proved the downfall of the Firemen. Sharp added two scores on four hits in the ninth, one of which was McDonald's clout over the left field fence with plenty to spare.

Byrd struck out five, walked four, while Wiley struck out three and gave one free pass

Frances Couch
QUEEN of SPORTS

MISS FRANCES COUCH IS CHOSEN QUEEN SPORTS

BAYLOR SPORTS REVIEW WILL BE HELD AT BELTON ON MAY FIRST

Belton, April 29—Miss Frances Couch, McKinney, has been chosen Queen of Sports at Baylor College and will reign over the Sports Revue which will be held May 1 in her honor.

Miss Couch was selected as Queen of Sports because of her all-around ability as an athlete. Her specialty is swimming and she is captain of Life Saving Corps. She is a member of Woman Athletic Association and plays all sports, individual and team. Her athletic prowess is not her only accomplishment because she is a member of Scholarship Society of the South and Royal Academia Society.

In the Sports Revue a picked group of students will present such sports as: hockey, soccer, horseback riding, archery, tennis, tumbling, track and basketball. From each group Queen Frances will select one who has excelled to join the princesses of sports around her throne. The identity of these girls will not be revealed until May Day. A Maypole dance will be given by freshman students.

The Sports Revue is under the direction of Mrs. Paul B. Baker, head of department of physical education. Baylor College's annual May Day program is always attended by hundreds of out-of-town visitors. It begins at 5 p. m. and is held on the campus.

In the picture are shown some of the sports which will be demonstrated at Baylor College on May Day Frances Couch, McKinney, who will be crowned Queen of Sports is in the center. Winston Cocke, San Benito, is one of the Queen's archers.

On the left are: Ozelle Waller, Morgan; and Ellen Easley, Dublin, hockey players.

On the right are: Mary Elizabeth Isleib, San Antonio; Winifred Smylie, Sabinal; and Pauline McCalip, Weslaco, horseback riders.

JACK RICHARDS, JR.

The Death Angel came into the home of Mr. and Mrs. Jack Richards Tuesday evening, April 21 at 6.30 o'clock and took home to God their little son, Jack Jr., whom he had sent them for only seven months and 21 days.

Little Jack was a bright little fellow and we will miss him so much, but we should be willing to say, 'Thy Will Be Done.'

Burial took place at North Elm church cemetery, Rev. N. D. Timmerman, officiating.

A Friend.

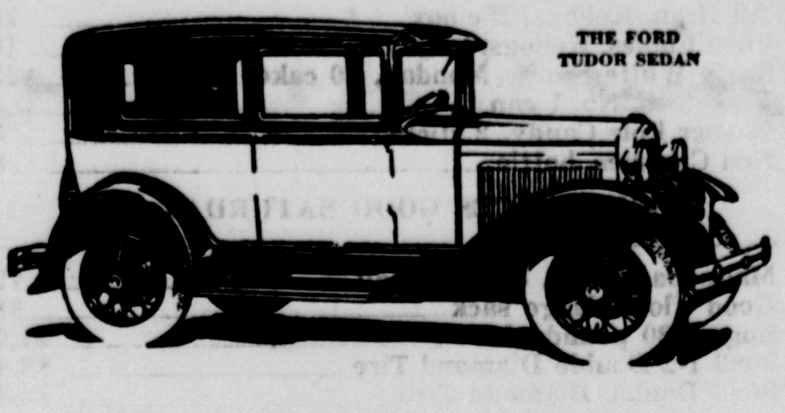
FORD
RELIABILITY



Long, hard use shows the value of good materials and simplicity of design
EVERYWHERE you go you hear reports of the good performance and reliability of the Ford.
One owner writes—"The Ford Tudor Sedan I am driving has covered 59,300 miles through all kinds of weather. It is still giving perfect satisfaction."
Another owner describes a trip of 3217 miles in 95 hours over bad roads and through heavy rain and sleet in the mountains. "Throughout the entire trip," he writes, "the Ford performed excellently and no mechanical trouble of any kind was experienced. The shatter-proof glass undoubtedly saved us from serious injury when a prairie chicken struck the windshield while we were traveling at 65 miles an hour."
See the nearest dealer and have him give you a demonstration ride in the Ford. Then, from your own personal experience, you will know that it brings you everything you want or need in a motor car at an unusually low price.
LOW FORD PRICES
$430 to $630
(F. o. b. Detroit, plus freight and delivery. Bumpers and spare tire extra at low cost. You can buy a Ford for a small down payment, on economical monthly terms, through the Authorized Ford Finance Plans of the Universal Credit Company.)

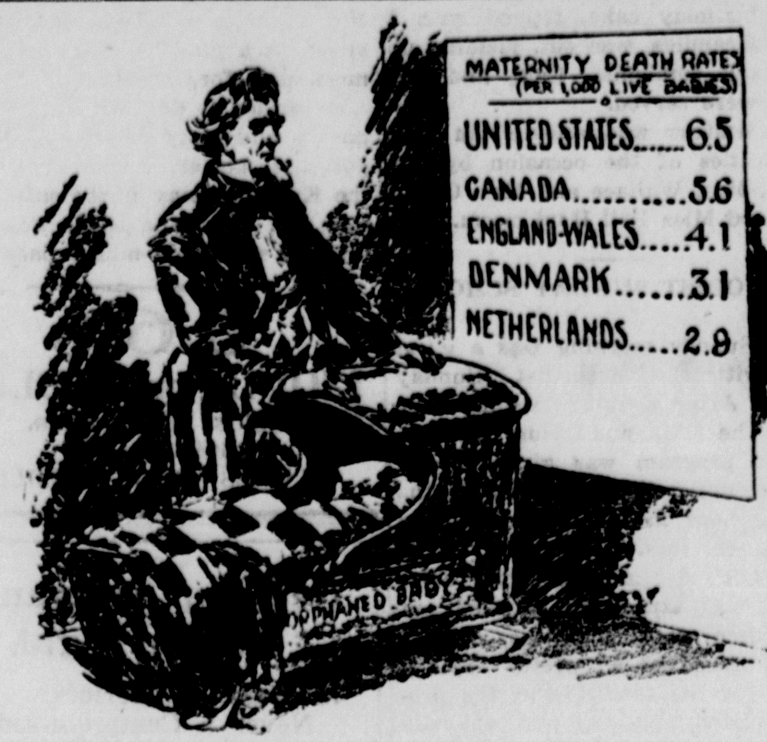
Facing Facts on Mother's Day



Uncle Sam is troubled--sixteen thousand mothers every year fail to answer roll call on Mother's Day. They lost their lives performing woman's greatest duty, maternity. Of these sixteen thousand, two-thirds could be saved by adequate maternity care, according to leading health authorities. The Maternity Center Association, a philanthropic organization supported by voluntary private contributions, located in New York City, supplies information without cost on the subject of maternity care. Public spirited citizens are trying to make Mother's Day mean a better chance for expectant mothers everywhere.

GOOD CHEER CLUB

The Good Cheer Bridge Club met in the attractive home of Mrs. Bob Terry Friday afternoon. The hostess chose a pretty combination of rose and blue for her decoration, and featured pink rose and blue larkspurs, attractively assembled in vases, baskets and bowls.

Three tables with accessories favored the chosen colors, where delightful games were enjoyed until a late hour. Table cuts for high went to Mrs. Roy Griffith, Mrs. Ray Burke and Mrs. Childers. Low cuts fell to Mrs. Dan Tyson, Mrs. Charlie Pollard and Mrs. Gus Evans, all of whom received pretty bridge table covers.

Punch was served during the games.

The following were present beside club members: Mrs. Dan Tyson, Mrs. Lloyd Mitchell and Mrs. B. F. Hurdle.

BUSINESS WOMEN

Misses Rose Rischar, Carrie Marek, and Lucille Butts attended District Meeting Three of the Business and Professional Women's Club held at Marlin Saturday and Sunday, April and 26.

Headquarters were at the Hilton Hotel where an old Southern banquet was given Saturday night at 8 o'clock. Novel decorations carried out the old Southern ideas. Miss Margie Rogers, District Chairman, presided as toastmistress.

Sunday morning there was an Emblem Breakfast at the Arlington Hotel presided over by the local Emblem chairman.

A pretty Bluebonnet luncheon was served at the Majestic Hotel Sunday at one o'clock. Bluebonnets, the stat flower, adorned the tables and were seen at vantage points. The menu consisted of fruit cocktail, barbecued spring chicken, whole potatoes, lettuce and tomato salad, hot buns and butter, creamed cauliflower, apple cobbler and ice tea. A splendid program was given at this time where Hon. Tom Connoly was the principal speaker of the occasion. Mrs. Connoly favored the guests with two beautiful voice numbers. Dr. J. W. Torbett presented each guest with an original poem on the Bluebonnet. Tiny crystal vases, previously colored with the hot mineral water of Marlin, were given as souvenirs to the guests.

The next meeting of the District will be held at New Braunfels, and Miss Margaret Warren of Belton was appointed as chairman of District Three.

ATTEND STATE MUSIC MEET

The State Music Convention that was held in Temple last week was a most interesting and instructive affair, where they featured Texas composers, Texas artists and gave some wonderful programs, as reported by Mrs. George Cay and Mrs. Strickland, delegates from the Cameron Symphony Club, and Mrs. R. P. Jeter and Miss Helen Flinn, who enjoyed the sessions.

CAMERON SYMPONY CLUB

Miss Lucille Dickard was a delightful hostess to the Cameron Symphony Club last week at the home of Mrs. W. O. Triggs The lesson was led by Miss Dickard followed by an interesting program.

Next week the club will have as hostess Mrs. Barron, nee Bess DuBois of Bryan who will be in Cameron and will entertain the club in the home of her parents, Mr. and Mrs. J. H. DuBois on West 19th Street. Mrs. Barron is still a member of the club and her visits will be a source of great pleasure to the club members

HOMEMAKERS CLASS

The Homemakers Class of the Baptist Sunday school held a business and social session at the annex Monday afternoon. Mrs. John Hays presided. Mrs. Wm. Henderson led the devotional. A social hour followed the program.

Miss Lilie Mag Jeter gave the lesson last Sunday morning at Sunday school which was most interesting and much enjoyed.

The class will give a Tacky Party at the annex Friday evening at eight o'clock. At this time all members are expected to attend in costume.

COLLEGE PARTY

A social event of attactive appointments was when Mrs. Joe Denson entertained Saturday afternoon at four o'clock at her pretty home in East Cameron, naming as honor guests Miss Elizabeth Gilbert of Louisiana and Miss Lollie Beth Garvin of Navasota, both of whom are students at Baylor College, Belton, who were house guests of the hostess for the week end.

Roses graced the living room and sun parlor, vases and bowls of sweet peas were in delicate arrangement about the dining room.

The hostess and Mrs. Skinner of Rogers, stood at the entrance and welcomed the guests upon arrival, introducing them to the honor guests, Misses Gilbert and Garvin. Guests were chosen mostly from among college girls at home for the week end and those who have completed their college work.

Miss Dorothy Blaylock favored the guests with one of her delightful readings and little Marjorie Ann, the eleven month old daughter of the hostess, came in for her share of pleasure, and in her baby voice gave a number of baby solos, which were understood mostly by the mother but enjoyed by all present.

A buffet course repeating the favored color scheme was served. The guests were invited to stroll where they wished to eat.

Miss Garvin is a member of the Baylor Choral Club which won first place in the State Contest at Temple last week.

Out of town guests present were Miss Anita Goss of McKinney, week end guest of Miss Gladys Davis, both of whom are students in Baylor University, and Mrs. W. B. Skinner of Rogers.

BRIDGE LUNCHEON

Of paramount social interest this week was the one o'clock bridge luncheon given by Mrs. Claude Triggs at her pretty bungalow home on 23rd and Jackson Streets when she entertained with a two course luncheon

A springtime rose garden effect was achieved in the decorations thruout the reception rooms. Old fashioned flowers in pastel shades centered the small tables where the luncheon was served. Table accessories effectively carried out the pastel color scheme and handsome roses graced effective points.

Following the luncheon spirited games were enjoyed and at the conclusion Mrs. W. E. Gaither had made highest score and received a handsome black vase filled with pink rose buds. Consolation fell to Mrs. Niley Smith, a fancy ash tray. Lucky cut was won by Mrs. Alex Triggs, a fancy pitcher.

Those to attend this delightful occasion were Mesdames Stanley Swift, James Coleman, Jr., Charlie Frank Green, W. E. Gaither, James Watson, Niley Smith, Oxsheer Smith, Rusn Thomas, S. A. Cottle, W. A. Bonds, Alex Triggs, Trent Newton, Clifton Jenness, Giles Avriett, George Graves and Miss Aetna Smith.

The hostess was ably assisted in the hospitalities of the occasion by Mrs. J. M. Bowman.

HISTORY CLUB LUNCHEON

A delightful affair of Saturday was the annual Texas Luncheon given by the Cameron History Club at the home of Mrs. Tom Denson, 212 East 13th Street.

This well appointed home was beautiful with quantities of Texas bluebonnets, red Indian Blankets and white spring flowers placed in artistic arrangement about the rooms in baskets, vases and bowls, and were used as a large center-piece for the table that was laid with beautiful silverware and pretty china, where members of the club gathered for a 'Raised in Texas' luncheon. A delightful four course spread was served in faultless style consisting of grapefruit cocktail, whole tomatoes stuffed with sweet bread; plate proper consisted of fried spring chicken, new potatoes, creamed carrots, English peas, plum jelly, hot rolls and butter, fresh strawberry ice cream.

Miss Winnie Henderson was the chaming toastmistress and presided in a delightful manner. A program was given consisting of history of the State of Texas, original poems on Texas and Milam County. Each member took part.

This was one of the outstanding social affairs of the season and was enjoyed by a large number of club members.

Out of town guests were Mrs. Boyd Wells of Austin, Mrs. Hamilton Bonnet of Evanston, Ill and Mrs. Herring of Mississippi.

BUSINESS WOMEN

The Business and Professional Women's Club will hold their regular meeting Tuesday evening, May 5 at 7:30 o'clock at the Texas-Louisiana Power Company's office. An interesting program has been prepared and all members are requested to attend.

ENTRE NOUS CLUB

The Entre Nous Bridge Club was beautifully entertained Monday evening in the home of Mrs. Lestor Williams. Sweet peas in profusion were attractively arranged about the rooms given over to the diversion where a number of games were played.

At the conclusion of the games, beautiful bronze book ends were given for table favors and went to Mrs. Fred Johnson, Miss Cora Mae Link and Miss Hilda Burke.

An appetizing salad course was served on trays, centered with bowls of sweet peas. Favors were pretty colonial sweet pea corsages.

Miss Gracie Herndon was admitted to membership of the club. Guests other than club members present were Mrs. LaBertice Robinson, Mrs. Willard Keith, Misses Ethel Collins and Catherine Atkinson.

BAPTIST W. M. S.

All circles of the Baptist Missionary Society had lessons taken from Royal Service Monday afternoon.

Mrs. E. A. Flinn was hostess to the Eunice Taylor Glass Circle with Mrs. Oscar Kidd as leader. There were nine members present.

The Lottie Moon Cicle met in the home of Mrs. Button with Mrs. S. M. Burns Jr., as leader. There were nine members in attendance.

Nine members were present at the meeting of the Lillie Mae Hundley Circle in the home of Mrs. George Mangum. Mrs. W. H. Henley led the lesson.

The Lois Howard Mashburn Circle held no meeting owing to many of the members being out of town.

All circles will meet next Monday afternoon at the church at four o'clock for a business session.

MONDAY NIGHT BRIDGE CLUB

The Monday night bridge club met with Miss Ruby Lingert in the home of Mrs. Jewell Barmore this week.

Sweet peas in attractive arrangement lent floral charm to the reception room where three tables were arranged for games, table accessories delightfully carried out the color scheme.

Tiny vases filled with sweet peas were table favors and fell to Mrs. Earl Burke, Mrs. Penn Wolf and Miss Dallie Young.

Ice cream and strawberries with angel food cake were served at the close of the games. Plate favors were sweet pea corsages.

Guests other than members were Mrs. Henry Patillo, Mrs. Cecil Barmoe, Mrs. W. D. Bigbee and Miss Dallie Young.

PRESBYTERIAN AUXILIARY

Circle One of the Presbyterian Auxiliary met with Mrs. George Mode Monday afternoon with 12 members present. The devotional was led by Mrs. John Watson. The afternoon was further spent in hemming cup towels. They will meet next Monday at the church.

Mrs. C. W. Lawrence was hostess to Circle Two with 11 present. Plans for the new year's work were made after the roll call which was answered with a passage of scripture or some item of interest.

BIRTHDAY PARTY

Mrs. August Horstmann entertained Friday afternoon in honor of her son, Neil, with a party celebrating his eighth birthday, from 3:30 to 5.30 o'clock.

Thirty boys and girls gathered to help Neil have a lovely time at this very happy occasion. Out door games were played and a general good time had, as only boys and girls know.

They viewed the many useful and attractive gifts showered on the honor guest and were then invited into the dining room where a large white birthday cake, topped with 8 burning candles, was cut, yielding up the many emblems. Cake and ice cream were served.

The hostess was assisted in the hospitalities of the occasion by her sisters, Mrs. Wallace and Mrs. Grady Little and Miss Dell Horstmann.

METHODIST SUNDAY SCHOOL

Last Sunday morning was a great thing with the Methodist Sunday school. After regular lessons, they met in the main auditorium where a splendid program was given mostly by the younger classes, taking up the morning hour instead of the regular morning services.

A beautiful pink and white color scheme was atractively carried out by the decoration committee, and the church presented a pretty spring setting for the rendition of the program. Each child showed splendid training and all taking part were much interested in their work.

CHURCH PARTY

A beautiful get-together church party was held Friday evening from eight to ten o'clock at the First Methodist church. The basement was decorated with a colorful array of spring flowers arranged in vases bowls, pedestal baskets and containers throughoot the basement where adults, youth and small children gathered making it a real fairy scene.

A delightful program was rendered during the evening consisting of vocal and piano nombers and readings many of the younger set and children taking part. It was one of the most delightful occasions of the season.

The large grassy lawn around the church where cool summer breezes ae inviting, will be used during the summer evenings for a number of church parties in the future, making a splendid diversion for the church members and families.

BIRTHDAY PARTY

Lee Roy Clore, Jr., ten year old son of Mr. and Mrs. Lee Clore, celebrated his tenth birthday Tuesday from 3:30 to 5:30 by inviting 45 of his little playmates in to enjoy this happy occasion.

Mrs. Clore was assisted in the diversion for the guests by Mesdames F. R. Dunlap and Grady Stidham, and directed a number of out-door games until a late hour when a picnic lunch was enjoyed by all present.

The little honor guest was receipient of many useful and attractive gifts.

Carolina Woman
Lost 47 Lbs.

In 3 Months and
Feels Years Younger

'I have been taking Kruschen Salts for nearly 3 months. I have continued taking one teaspoonful in warm water every morning. I then weighed 217 pounds, was always bothered with pains in my back and lower part of abdomen and sides.

'Now I am glad to say I am a well woman, feel much stronger, years younger and my weight is 170 pounds I do not only feel better but I look better, so all my friends say.

'I shall never be without Kruschen Salts, will never cease taking my daily dose and more than glad to highly recommend it for the great good that is in it.' Mrs. S. A. Solomon, New Bern, N. C., Jan. 1930.' 'P. S. You may think I am exaggerating by writing such a long letter but truly I feel so indebted to you for putting out such wonderful salts that I cannot say enough.

A bottle of Kruschen Salts lasts 4 weeks costs but 85 cents at E. O. Schiller's drug store and druggists the world over. Take one half teaspoon in a glass of hot water every morning before breakfast.

Attention to diet will help—cut out pastry and fatty meats—go light on potatoes, butter, cream and sugar—the Kruschen way is the safe way to lose fat. Try one bottle and if not joyfully satisfied—money back.

White Leghorn Chicks

We now have on hand several hundred White Leghorn Chicks hatched April 28. We will take off only two more hatches before closing for the season.

Don't be without a flock of White Leghorn laying pullets next fall. U. S. Department of Agriculture reports 360,000 fewer cases eggs on storage on April 1, than on April 1, last year. All indications point to good egg prices and low priced feed next fall and winter.
